

Gas Technician 2

1-Year Ontario College Certificate

Thank you for applying to Durham College's Gas Technician 2 program.

Please note students enrolled without a valid Gas Technician 3 license

- will not be permitted to participate in work placement
- will be unable to challenge the Gas Technician 2 TSSA Exam

Please note students enrolled without a valid Oil Burner 3 license

- will be unable to challenge the Oil Burner 2 TSSA exam

It is the student's responsibility to continue trying to obtain TSSA licensing (see contact information below). Once the licensing is obtained, the conditions will be lifted.

*Prior HVAC graduates, please indicate, "**Previous year attended**" on your OCAS application.

Attention: Gas Technician 2 Program
1610 Champlain Ave Whitby, ON L1N 6A7

The core curriculum of the Gas Technician 3 program is standardized and accredited by the Technical Standards and Safety Authority (TSSA). While the Durham College passing standard for this program is 70%, the passing grade on the examination and practical skills demonstration for TSSA is 75%. Failure to successfully complete the exam as noted above will result in a failing TSSA grade.

After you have written the Gas Technician 3 challenge exam, if you have any questions or concerns regarding your license, please contact:
