

How To Embed LinkedIn Learning Video Into DC Connect

Welcome

Welcome to this short video on curating videos in LinkedIn Learning and sharing them with your class in DC Connect. This video presumes you have already logged into LinkedIn Learning at [LinkedInLearning.durhamcollege.ca](https://www.linkedin.com/learning/durhamcollege)

Step One

The first step is to create a collection. Click on the “**My Learning**” icon in the top navigation.

Step Two

Next, click on the “**Collections**” tab and then the “**Create New Collection**” link. Give your collection an appropriate name and click the “**Create**” button.

Step Three

Use the “**Search**” field at the top of the page to view available content. Click the “**More**” menu of a desired video or course and select the “**Add To Collection**” option.

Click the “**Add**” button for the appropriate collection and then the “**Done**” button.

Step Four

Repeat the “**Search**” / “**Add**” process until you are satisfied your collection is ready to share.

Step Five

Return to the “**My Learning**” page and the “**Collections**” tab to view your collections.

Step Six

Click the “**Share**” link for the appropriate collection.

Set the “**Shared With**” pull-down to “**Durham College**” and click the “**Copy**” button.

Step Seven

Log in to DC Connect and access the appropriate course. **It is recommended that you add the link to your collection as a “Content Topic” link.**

Note that when students access the collection from DC Connect, they may be prompted to authenticate into LinkedIn Learning, using their network credentials.
