83.2% GRADUATE EMPLOYMENT RATE WITHIN SIX MONTHS OF GRADUATION

OVER 140 MARKET-DRIVEN PROGRAMS
LETTER FROM THE PRESIDENT

Durham College has a history of preparing students with the right skills, knowledge and desire for advancing ideas and demonstrating excellence.

Our graduates help employers innovate and find great success. In fact, according to the 2015-2016 Key Performance Indicator (KPI) survey, employers who have hired Durham College grads report a satisfaction rate of 92.2 per cent.

The college is home to the very best professors and staff, who bring the work world to our classrooms and learning environment. Their impact on your learning and professional growth, and their connections to industry are far reaching. Whether you want to begin your academic career or further your studies, we will provide you with the education you need to succeed.

As we celebrate our 50th anniversary in 2017, we continue to focus on excellence. We offer more than 140 high-quality programs taught using state-of-the-art equipment on modern and picturesque campuses. All contribute to enhanced, applied learning experiences for our students.

We know choosing to study abroad is a big decision. Durham College will support you in finding fulfilment in education, employment and lifelong learning. The entire Durham College community is committed to making your transition as seamless as possible and providing you with a true Canadian experience, where you will meet fellow students from Canada and around the world. Both the diversity and location of our campuses continue to enrich the post-secondary experience for all students.

I hope to see you here in the near future, so you can discover for yourself why students from around the world have called Durham College home for 50 years – your ‘success matters’.

Regards,

DON LOVISA, PRESIDENT, DURHAM COLLEGE
As an international student studying in Canada, you will experience safe and welcoming communities. Known for being friendly and fun loving, Canadians are passionate about their country. Canada is also consistently ranked as one of the world’s top places to live by the United Nations.

The Canadian educational difference

Studying abroad offers benefits from both a personal and educational development standpoint. In addition to the value of experiencing another culture, the college system in Canada is well-established and designed to help students succeed. Canadian-earned qualifications are valued around the world.

It’s also cost-effective to study in Canada, with tuition rates considerably lower than many other countries.

As an international student studying in Canada, you will have the opportunity to work both on- and off-campus, allowing you to earn while you learn. Upon graduation you can also apply for a post-graduate work permit to gain valuable work experience in Canada.
Wait, the team has just noticed a significant issue. The map on Page 5 is wrong. Vancouver, Ottawa and Montreal are misplaced. Vancouver is on the coast of BC not the middle lower half, Ottawa is for some reason placed directly in Quebec and Montreal is much too far up. The font size for Vancouver is also the same size as Ontario, so that would need to be fixed as it should be the same as the other cities.

**DID YOU KNOW?**

- 31 per cent of Canada is taken up by forests.
- 42 per cent of the Canadian population has a higher education qualification.
- 90 per cent of Canadians live within 100 kilometres of the United States border.
- Canada has more lakes than any other country combined.
- Canada is bilingual with both English and French as its official languages – Bonjour!
- Canada is the second largest country in the world by land mass.
- One in five Canadians were born outside of the country.
- There are 1,453 airports in Canada.
DURHAM REGION: IN THE CENTRE OF IT ALL

Durham College is situated in the heart of the Durham Region, a hub for sports, culture, education and music. As part of the Greater Toronto Area (GTA), the region is 45 minutes from downtown Toronto and is considered a cultural hub and key centre for business development.

Calling Oshawa, Whitby or Pickering home gives you the opportunity to experience the benefits of living in a smaller community. Enjoy a friendly atmosphere and lower cost of living, without missing out on the easily accessible excitement of the big city – you get the best of both worlds!

“\nI have a lot of friendly classmates and professors here. It’s so amazing that I can have access to a variety of services that meet my unique needs, such as improving my English skills, peer tutoring and receiving guidance with career development. I also love that after class there is an abundance of activities I can join and participate in.
I find my life very enjoyable at Durham College!”

Emma (Fengjia Xue) from China
First-year Office Administration – Health Services student
TAKE A DAY TRIP TO SEE THE SPECTACULAR NIAGARA FALLS.
DON’T FORGET YOUR CAMERA

* SOME ATTRACTIONS ARE FREE OR DISCOUNTED FOR STUDENTS.

ATTEND A MAJOR SPORTING EVENT AT ONE OF TORONTO’S HUGE STADIUMS.

STAY LOCAL AND CHECK OUT THE ONTARIO HOCKEY LEAGUE’S OSHAWA GENERALS.
BOBBY ORR AND ERIC LINDROS ARE AMONG THE TEAM ALUMNI THAT HAVE GONE ON TO THE NATIONAL HOCKEY LEAGUE.

TAKE A TRIP BACK IN TIME AND VISIT THE PARKWOOD NATIONAL HISTORIC SITE, FORMER HOME OF THE FOUNDER OF GENERAL MOTORS CANADA AND FEATURED IN FILMS SUCH AS BILLY MADISON AND X-MEN.

SEE YOUR FAVORITE MUSICIAN, BAND OR ARTIST PERFORM IN OSHAWA OR TORONTO.

GO FOR A HIKE AROUND LOCAL PRISTINE WILDLIFE RESERVES AND CONSERVATION AREAS INCLUDING LYNDE SHORES, HEBER DOWNS AND GREENWOOD.

GO CAMPING UNDER THE STARS AND COOK MARSHMALLOWS OVER AN OPEN FIRE IN THE OLDEST PROVINCIAL PARK IN CANADA, ALGONQUIN PARK.

GO SHOPPING AT THE LOCAL OSHAWA CENTRE, HOME TO 230 RETAIL SHOPS, OR HEAD TO ONE OF MANY FACTORY OUTLETS AND SHOPPING CENTRES NEARBY.
GET TO KNOW DURHAM COLLEGE

At Durham College, success matters. Year-over-year the college continues to grow and in September 2016, we welcomed more than 30,000 students to campus including more than 11,000 full-time post-secondary and apprenticeship students, more than 800 international students, part-time and continuing education students and online learners.

Our programs

The college offers more than 140 market-driven programs in a number of different disciplines including:

- Business
- Culinary
- Emergency services
- Engineering technology
- General arts
- Health
- Horticulture
- Hospitality
- Information technology
- Justice
- Media, art and design
- Science
- Skilled trades
- Tourism

All of these programs enable students to develop the skills required to meet the demands of today’s job market.

Durham College offers these programs at its three locations within Durham Region – the Oshawa and Whitby campuses and Pickering Learning Site.

“Studying at Durham College allows for a healthy balance between academic and social life. Transit between campuses, in the general area and even to downtown Toronto, was accessible and very easy to navigate. Getting off campus and exploring was always an adventure and really made my Canadian experience a great one.”

Camily Lovell from Bermuda
Graduate Addictions and Mental Health certificate program graduate
FUN FACTS

In 2016, Durham College began construction on the Centre for Collaborative Education, a legacy project tied to our 50th anniversary in 2017. The new facility will bring together local, Indigenous and global communities, providing a new home for several of the college’s most innovative and ground-breaking programs.

Oshawa campus

In addition to modern learning labs, classrooms and facilities, Durham College’s Oshawa campus is a hub of activity that makes for a very cool campus life:

- Enjoy good eats at one of 28 food service locations.
- Stay fit and enjoy yourself, on your own or as part of a team, at the state-of-the-art Campus Recreation and Wellness Centre.
- Take advantage of the wide range of support services, including career counselling and academic assistance, available at the Student Services building.
- Get involved with the Student Association's many events and campus clubs.
- Chill with friends at E.P. Taylor’s – the campus pub that regularly hosts fun activities and great bands.

Whitby campus

Conveniently located in one of Canada’s fastest-growing communities, the Whitby campus supports a diverse student population and offers modern, up-to-date learning facilities in a relaxed and spacious atmosphere:

- Participate in hands-on learning opportunities using state-of-the-art software and modern industry equipment at the award-winning Skills Training Centre.
- Relax in the Student Services and Student Association area, which includes a TV lounge, the Tuck Shop, and the Office of Student Diversity, Inclusion and Transitions, and Student Academic Learning Services.
- Experience the field-to-fork concept in action at the W. Galen Weston Centre for Food (CFF). This unique culinary, hospitality and event planning hub offers Bistro ’67, a full-service teaching-inspired restaurant, and Pantry, a unique retail store featuring student-created foods.
- Sweat it out at the campus fitness centre using cardio, strength-training and free-weight stations.
- Stroll through the beautiful gardens, greenhouses or orchards, which are planted, cultivated and harvested by CFF students.

Pickering Learning Site

Conveniently located just off Highway 401 and connected to the Pickering GO train station:

- Learn in a unique, collaborative urban centre.
- Further your credentials in an environment focused on mature, professional learners.
- Access four graduate certificate programs as well as continuing education courses.
- Flexible course delivery options with evening and weekend classes.

WHY CHOOSE DURHAM COLLEGE?

Preparing graduates for employment
At Durham College we offer relevant, engaging and industry-focused teaching and learning. Our aim is to enhance your education with real-world experiences so you’re prepared to meet the demands of a complex and changing economy and world, giving you a competitive edge when applying for employment. Durham College consistently achieves excellent graduate employment rates.

83.2% GRADUATE EMPLOYMENT RATE WITHIN SIX MONTHS OF GRADUATION*

86.4% STUDENTS FEEL THEIR PROGRAM IS GIVING THEM KNOWLEDGE AND SKILLS THAT WILL BE USEFUL IN THEIR FUTURE CAREER*

*COLLEGESONTARIO.ORG

“I really enjoy my program because of the depth of learning. This is especially the case with my shop class since the best way to get a better understanding is with hands-on practice. I also have a great professor who is very knowledgeable and has a great sense of humor. He always keeps his students amused with his stories, which also keeps our interest in the learning materials.”

Ford (Xiaowei Pan) from China
First-year Motive Power Technician
Service and Management student
Industry-based programs

Our programs are continually shaped by market needs through Program Advisory Committees (PACs). More than 1,000 local industry and business leaders sit on 80 PACs, which means Durham College can tap into participant expertise to ensure our programs are current and aligned with industry trends. Our programs are also delivered by expert teachers with real-world experience.

Supported student experience

We aim to make your international student experience an amazing one. You will be supported from the moment you arrive, through a range of services including: arrival and accommodation assistance, international orientation, academic learning support, health and well-being services, career services, sports and clubs, disability support, financial aid and much more. You can also participate in a variety of organized events and activities on campus to make new friends.

Field placements

Receiving training in your chosen field before you graduate is an excellent way to gain valuable skills and first-hand experience. Durham College offers placements in a number of our programs, where students work at a business or organization in their chosen field for a set period of time. The field placement component enables students to:

- Practice and integrate the skills and knowledge acquired in their program.
- Gain valuable Canadian work experience.
- Develop the ability to meet deadlines and problem-solve.
- Learn time management skills.
- Learn how to adapt behavior in response to professional feedback.

Research at Durham College

Research is at the heart of what Durham College does as a post-secondary institution. The college’s Office of Research Services, Innovation and Entrepreneurship is responsible for driving innovation and, since its inception in 2009, has created a strong applied research agenda for Durham College. In 2016, we were ranked as a top 50 research college for the fourth year in a row.

- Applied research funding received in 2016: $600,000
- 19 projects involving 33 students and 21 faculty and staff

Entrepreneurial spirit

Durham College provides students with access to FastStart, an entrepreneurial training partnership offered in collaboration with universities across Ontario, that is designed to help students increase their entrepreneurial awareness and skills and help them turn business ideas into successful companies.
THE STUDENT EXPERIENCE AT DURHAM COLLEGE

Being a Durham College student means you will have access to unique services that have been designed to help meet your academic and social needs.

The Student Association (SA)
The SA plays an active and important role in the interest of all students. It supports and funds more than 70 student clubs and seven societies on campus, that represent a world of diversity, and offers opportunities to develop leadership skills while socializing. These include:

- Separate student associations/clubs for Afghan, African, Asian/Chinese, French, Hellenic (Greek), Hindu, Indian, Iranian, Islamic, Muslim, Pakistani, Punjabi and Tamil students.
- A variety of sporting, academic, artistic and humanitarian clubs including Anime on Campus, Computer Science, Dance, Drama, Environmental, Healthy Living, Model United Nations, StressBusters, DC/UOIT Gamers and many more.
- Separate student associations/clubs for various spiritualities, faiths and cultures including Baha’i, Catholic, Christian, Coptic Orthodox and Muslim.

In addition, each society (one for each academic school) offers recreational, educational and social activities. The SA also holds numerous on- and off-campus events and is responsible for a wide range of services for students including the LGBTQ Centre and Pride Committee, Sexual Health Resource Centre, Students for Equal Access, student health insurance plan, Women’s Centre and a convenience store.

www.sadcuoit.ca

Riot Radio
Riot Radio, offered through the SA, is an Internet-based, visual-radio station, is a service of the SA. Located in the Gordon Willey building, its full-time staff can train and guide you to on-air success while offering volunteer opportunities (by audition).

www.riotradio.ca

E.P. Taylor’s Pub and Restaurant
One of the top campus pubs in Ontario, E.P. Taylor’s Pub and Restaurant serves drinks and great food while hosting concerts, comedy shows, karaoke, battle of the bands and more.

Campus Recreation and Wellness Centre
Maintain an active lifestyle at the Campus Recreation and Wellness Centre (CRWC), which contains:

- Five gymnasiums for basketball, volleyball, badminton and other indoor sports.
- A large fitness centre featuring cardio equipment and free weights.
- Three fitness studios for aerobics, dance and spin classes.
- Two squash courts.
- An elevated indoor walking/jogging track.
- An athletic therapy centre.
- A multi-purpose lounge.

Other facilities include Campus Ice Centre, Campus Fieldhouse and softball and soccer fields.

During your time at Durham College you can join one of our many intramural sports teams to have fun, meet friends and stay in shape. You can choose from basketball, cricket, ice hockey, soccer, volleyball, touch football and many more.

www.campusrecreationcentre.com
Go Lords! Varsity Athletics.
For over 39 years the Durham College’s varsity athletic programs have consistently achieved provincial and national team and individual successes. Translated into awards this totals 211 provincial championship medals over the years. The Durham Lords rank fourth out of 30 member schools in Ontario Colleges Athletic Association (OCAA) League Championship medals won.

Varsity teams at Durham College:
- Men’s and women’s basketball.
- Men’s and women’s golf.
- Men’s and women’s indoor soccer.
- Men’s and women’s soccer.
- Men’s and women’s volleyball.
- Men’s baseball.
- Women’s softball.

www.durhamlords.com

FUN CAMPUS EVENTS
The college calendar is filled with fantastic events for our students. Below are some campus favourites!

Orientation Week
Designed to help new students acclimatize to college life, meet college employees, explore student services (many of which are open extended hours) and most of all, enjoy the college’s Oshawa and Whitby campuses, Orientation Week will provide you with an opportunity to learn about program expectations as well as student clubs and societies, all while making new friendships.

Activities include: International Student Orientation, Program Orientation, Fun Fair, Fieldhouse Yoga, Opening Prayer/Smudge, Cedar Tea and Bannock, Campus Cup Pep rally and game play, Whitby Campus Welcome BBQ, Drive-in Movie, and more. Orientation Week ends with the annual CampusFest concert, where well-known headlining acts take centre stage.

Job Fair
Spend some time exploring your future career and meeting with potential employers during Durham College’s annual Job Fair. In 2016 more than 60 companies were on-hand to speak with students.

Pangaea
Pangaea celebrates the diverse cultures on campus with delicious cuisine and entertaining student performances from around the world. The event is open to all students, staff and faculty at Durham College and UOIT and is completely free!

Alumni in the Pit
Every year Durham College alumni come back to campus to share their experience of moving from college to career at Alumni in the Pit. Students can ask questions of the alumni guests as they provide guidance to those who are about to embark on their own career paths.
STUDENT SUPPORT SERVICES

The success of our students both in and out of the classroom is incredibly important, which is why there are a number of student services available.

Student Services building

In March 2011, Durham College officially opened the Student Services building at the Oshawa campus, enforcing our commitment to the student experience by offering one of the most comprehensive and all-encompassing service facilities in the province of Ontario. The facility creates a vital first point of access for potential applicants, current students, and graduates with multiple services such as Student Academic Learning Services, the Career Development office and Financial Aid and Awards all under the same roof.

Career Services

Career Services offers one-on-one advising services to help you find employment and reach your career goals. We will help you in the areas of career clarification and exploration, interviewing techniques and mock interviews, job search assistance and resume and cover letter reviews. As a Durham College student you also have access to our online job listing portal, on campus recruiting events and ongoing career support up for up to two years after graduation.

Office of Student Diversity, Inclusion and Transitions

The Office of Student Diversity, Inclusion and Transitions is dedicated to ensuring that as a student you feel welcomed and supported on our vibrant campus. Beginning in first year, new students are invited to participate in a variety of inclusive programs designed to introduce them to the academic, social and diverse environment on campus. Throughout the academic year, the Office of Student Diversity, Inclusion and Transitions provides opportunities for involvement in campus activities through the DC Crew and Co-curricular Recognition programs. Other supports include information and referral services, training and education, advocacy and advisory support and diversity events and activities.

Access and Support Centre

The team at the Access and Support Centre works in partnership with students and faculty to ensure the academic environment is fully accessible to students with disabilities. They are committed to providing you with friendly, accessible and confidential services.
ACADEMIC SERVICES

Academic and learning support
If you are having difficulty with assignments and course work there are a range of services to help you reach your full academic potential. Through Student Academic Learning Services (SALS), you will have access to peer mentoring, subject-specific learning skills, English-as-a-second-language support, workshops, clinics and one-to-one consultations. Our team of academic advisors will also be able to support you. Services include developing an academic plan and identifying career goals, selecting electives, reviewing graduation requirements and transfer advice (if necessary).
www.durhamcollege.ca/sals

Coaching
Coaching is a complimentary service offered to all first-year students to help you make the transition to a college setting. The coaching relationship is a one-on-one partnership driven by the student and based on a collaborative, personalized approach to maximize your potential as a member of the Durham College community. Coaches will assist you with exploring and expanding your potential while identifying your strengths so you will be successful while you are here.
www.durhamcollege.ca/faq/coaching

“...”

STUDENT WELLNESS

Campus Health Centre
A happy and healthy campus community is very important. As a Durham College student, you have access to the Campus Health Centre, which provides the highest level of health care to students. The centre includes a medical clinic where you can be seen and treated by physicians and nurses. It also houses a pharmacy and offers massage therapy, acupuncture and alternative health services as well as chiropractic care. The Mental Health Services team is also available to help if you need assistance with a problem or would like to talk to someone in a safe place.
Please note: medical insurance is included in your international student fees.
www.durhamcollege.ca/campushealthcentre

“The ESL program has been a good experience for me. It has helped me become more comfortable in Canada since I did not speak the local language and needed help learning how to communicate in English. The instructors worked with me to improve my speaking, reading, grammar and writing. I also worked with an advisor who has helped me in my schooling and different activities on campus and off to adjust more easily into Canadian culture and the school system.”
Stéphane Ahanda from Cameroon
First-year Water Quality Technician program student
Arrival services
Starting from the moment you step off the plane, we are here to guide you through your new educational experience. Our college’s mission is the student experience comes first and we take that mission to heart. Our arrival services include:
• Free airport pickup.
• Assistance with arranging temporary accommodation.
• Assistance with finding long-term accommodation.

FREE *
AIRPORT PICKUP.
*FOR STUDENTS ARRIVING WITHIN THE FIRST 10 DAYS OF CLASSES.

Advising
The International Student office is open Monday to Friday from 8:30 a.m. to 4:30 p.m. at the Oshawa campus. You can receive advice regarding working in Canada, extending your study permit, inviting family and friends to visit you in Canada, or how your health insurance works. We are also available to help you with your transition to Canada and Canadian culture.

Located in the Student Services building, the International Student office is focused on providing services for international and internationally-minded students alike. You can find assistance with:
• Applying to Durham College.
• Information about working and studying in Canada.
• What you need to know about health insurance, income tax and social insurance numbers as an international student.
• Social activities to make friends.
• Career development workshops.
International student orientation

Ensure your time at Durham College is successful by getting the information you need as an international student. Information provided includes:

- How to get your Student Identification card.
- Getting your Health Insurance card.
- Setting up a bank account.
- Working in Canada.
- Assistance in finding local housing.
- How cell phones work in Canada.
- How to sign up for DC Mail, DC Connect and MyCampus.
- How to be successful at Durham College.

Meet the team from the International Student office and fellow international students while getting to know the Oshawa campus. A delicious lunch will be served both days and there will be lots of prizes to win.

In addition, be sure to attend Durham College’s college-wide orientation where you will:

- Meet your professors and classmates.
- Find out more detailed information about your program.
- Meet the student services team and discover a number of on-campus services.
- Enjoy the many fun activities on campus like the Campus Cup pep-rally, movies on the lawn, the welcome BBQ, and the Fun Fair.

“The International Student office has been a great support since my arrival in Canada. Being an international student, I had to take English-as-a-second language, which gave me a great opportunity to meet the International Student office team. They have always been there for me to answer any kind of question that I might have. They helped me through the process of choosing my courses and changing my program. They always encourage me no matter the situation.”

Falonne Mwenze from Congo
First-year, Finance – Business student
YOUR LIVING ARRANGEMENTS

Accommodation is guaranteed in the Simcoe or South Village residences at our Oshawa campus if you meet the deadlines for accepting our offer of admission and applying to residence.

South Village residence
The South Village residence features a cafeteria, study and recreation areas and furnished, two-bedroom private suites. Suites in both residences include cable television, a kitchenette with fridge and microwave, Internet access, telephone and three-piece bathroom.

Simcoe Village residence
The Simcoe Village residence offers a choice between furnished double rooms that are semi-divided for privacy or furnished suites with two private bedrooms.

West Village residence
We also offer the West Village residence, featuring beautiful, apartment-style suites designed for students in their upper years of study. This residence offers controlled access, on-site management, security, on-site laundry, individually controlled air conditioning/heating and many social areas. Three- and six-bedroom units are available and both including appliances, parking, networked Internet and large bedrooms with spacious closets.

Off-campus housing and homestay
If you would prefer to live off campus, there are several options available, including off-campus residences, shared housing accommodation and homestays. A pre-departure kit will be sent after you have accepted your admission offer outlining how to arrange for off-campus housing.

To learn about off-campus housing options visit www.durhamcollege.ca/offcampushousing

For more information about homestays visit http://canadahomestaynetwork.ca/for-students/
GUARANTEED ACCOMMODATION
IF YOU MEET THE RESIDENCE DEADLINES

SOUTH VILLAGE SUITE MODEL
LAPTOP LEARNING

Students enrolled in laptop programs enjoy an exceptional learning experience and gain the advanced technical skills and knowledge that employers look for in graduates.

How laptop learning works:

• Please see the program charts beginning on page 29 to 37 to see if your program requires a laptop computer.
• Check your specific program page at www.durhamcollege.ca/programs for hardware and software requirements.
• Buy your own laptop including all of the hardware and software requirements.

Note: Some software may be included in tuition fees for some programs. Please ensure that you are required to buy software before making a purchase.

DOLLARS AND CENTS — HOW MUCH WILL IT COST?

Approximate living costs* for one month in Oshawa, Ontario

- Food $400
- Textbooks and other supplies $500 (per semester)
- Clothing $65
- Entertainment $80
- Miscellaneus $35
- Housing/residence $400-875*

Total: $955 to $1,430/month

Transit pass included in student fees

Additional costs to take into consideration include: laptop and computer software (if required by program: approx. $1,200 to $4,000); mobile phones; calling cards; extracurricular activities; winter clothing; travel home; and visa renewal fees.

* Note: Costs are not guaranteed and vary according to each student’s needs and spending habits.

** Off-campus housing will require an initial deposit fee.

Wondering about the cost of your weekly necessities? Here’s an average snapshot:

- Cup of coffee $1.95
- Loaf of bread $2.80
- Milk $1.90

Once you arrive in Canada, finances should be the least of your worries. It is important to know the costs and plan ahead so that you don’t find yourself short of money while at school.

Academic excellence scholarships

Students who achieve academic excellence in their program of study may be awarded an in-course scholarship valued up to $1,000 CAD. Fifteen international students were recipients in the 2015-2016 academic year. Recipients are invited to an awards ceremony to celebrate their achievements.

For more information on scholarships including how to apply and scholarship deadlines visit [www.durhamcollege.ca/internationalscholarships](http://www.durhamcollege.ca/internationalscholarships).

“"I received the International Entrance scholarship from Durham College in recognition of scoring well overall in the International English Language Testing System test. The scholarship helped me to purchase all of my textbooks and supplies and also allowed me an opportunity to explore the beauty of Canada.”

Riana Costa from India
First-year student Accounting
– Business Administration student

WORK OPPORTUNITIES

All students should plan to come to Durham College with enough money to finance their studies. However, if you find yourself wanting to enjoy activities outside of your studies, you can earn some extra money through several work programs.

On campus

Part-time job opportunities are available on campus for international students through the DC IWorks program, a work-study program for international students, or as part-time contract staff through on-campus vendors.

Off campus

While attending college in Canada, international students are permitted to work off campus. Details about off-campus work opportunities available while on a study permit can be found at [www.cic.gc.ca/english/study/work.asp](http://www.cic.gc.ca/english/study/work.asp).

Our Career Services team can help you find employment. They offer assistance with job searching, resume writing, and interview skills, and host a part-time job fair on campus each year.
Step into your career faster with Durham College and the University of Ontario Institute of Technology (UOIT)

Durham College and UOIT offer many pathways to earning a diploma and a degree in less time. As Citizenship and Immigration Canada (CIC) Designated Learning Institutions, Durham College and UOIT work together to help you succeed in your field, faster.

• Receive acceptance to Durham College and a conditional offer to UOIT at the same time.
• Reach your goals in less time – earn both an applied college diploma, and a university degree.
• Save on tuition costs.
• Complete your education on one campus.
• Learn from both college and university experts.

It has never been easier to enhance, upgrade or specialize your education!

There are over 60 pathway programs to choose from including:

• Accounting – Business.
• Advertising and Marketing Communications.
• Animation – Digital.
• Biomedical Engineering Technology.
• Chemical Engineering Technology.
• Child and Youth Care.
• Computer Programmer.
• Computer Systems Technician.
• Contemporary Web Design.
• Electro-Mechanical Engineering Technology.
• Game Development.
• Hospitality – Hotel and Restaurant Operations Management.
• Human Resources – Business.
• Journalism – Mass Media.
• Law Clerk Advanced.
• Marketing – Business.
• Paralegal.
• Protection, Security and Investigation.
• Public Relations.
• Social Service Worker.

Search programs at www.durhamcollege.ca/internationalpathways.
In addition, if you are interested in studying elsewhere in Ontario, Canada or abroad, Durham College offers several other academic pathways. To learn more about established Durham College agreements for your programs, please visit www.durhamcollege.ca/transferguide.

Durham College students can also transfer to the University of Toronto, University of Ottawa, University of Waterloo, Queen’s University, and Ryerson University.

Other University partners include:
PROGRAMS AND HOW TO APPLY
PROGRAMS

We offer over 140 full-time programs and are committed to relevant, engaging and industry-focused teaching. Our aim is to enhance your learning with real-world experiences to make you job-ready and highly employable.

Certificate, diploma and advanced diploma programs:
Undergraduate programs ranging from one to three years of full-time study.

Graduate certificate and compressed fast-track programs:
Post-graduate programs designed for students with existing academic credentials and/or work experience to obtain qualifications in a reduced amount of time.

Youth Justice and Interventions (hybrid delivery, graduate certificate) ........... 35

Note: Fast-track and compressed programs are designed specifically for applicants with existing academic credentials and present a unique opportunity to complete diploma requirements in fewer semesters.
# Types of Durham College Credentials

**Diploma:** Study for two years (four semesters) and receive a diploma at the end of your studies. A diploma will allow you to enter the workforce in an entry level position.

**Advanced Diploma:** Study for three years (six semesters) and receive an advanced diploma at the end of your studies. You will receive an extra specialization in your third and final year of studies that will allow you to apply for a more managerial position. Most Advanced Diplomas have field placements at the end of the program.

**Graduate Certificate:** Study for one year (two semesters) and receive a graduate certificate at the end of your studies. Individuals who are interested in expanding on their previous post-secondary education qualify to apply for a graduate certificate program at Durham College. You will be able to study a program that complements your past education and therefore you will be able to seek a higher job position within your industry. Individuals with two to three years of in-field work experience also qualify for a graduate certificate at Durham College.

**Fast-Track:** Study for one year (two semesters) and receive an advanced diploma. Individuals with related past education can qualify for this program of study where you will be expedited to the second or third year of study in an advanced diploma program.

---

## Get to Know Durham College’s Schools

### Centre for Food (CFF)

The W. Galen Weston Centre for Food (CFF) is Durham Region’s first-ever post-secondary presence focused on the field-to-fork concept, which is based on the harvesting, storing, processing, packaging, sale and consumption of food – in particular the production of local food for local consumers.

Durham College has adopted this concept and applied it to a diverse range of programs that crossover traditional academic schools, with the curriculum, faculty expertise and equipment required to implement field to fork, built into several of the college’s programs.

The CFF is also home to a number of hospitality-focused programs from Special Events Management and Hospitality Skills to Culinary Management and Advanced Baking and Pastry Arts. Whether you want to be in the kitchen, in the field or running the show, the CFF has you covered.

“The Centre for Food gives me the opportunity to learn industry-standard practices. Also, having teachers who are in the hospitality industry gives me a chance to network and further my options to secure employment post-graduation.”

Luca Cuceanigh from Italy
First-year Hospitality – Hotel and Restaurant Operations Management student

**SCHOOL OF BUSINESS, IT & MANAGEMENT (BITM)**

The School of Business, IT & Management offers job-ready training in a variety of professional business, information technology (IT) and management areas including accounting, marketing, computer programming and systems, human resources, information systems security, international business management, and project management.

Many of the programs offer an option for a one year certificate, two-year diploma or three-year advanced diploma including field placements and pathway options with the University of Ontario Institute of Technology (UOIT).

SCHOOL OF SCIENCE & ENGINEERING TECHNOLOGY (SET)

The School of Science & Engineering Technology (SET) offers innovative diploma programs for students interested in pursuing a career in a science or engineering field as well as eight compressed fast-track programs for university graduates to enhance their technical and practical skills.

The program mix is broad, including but not limited to architecture, biotechnology and electronics engineering. SET programs support current emerging technologies such as 3D rapid prototyping, ultrasonic testing, DNA manipulation and arduino microprocessors.

SCHOOL OF MEDIA, ART & DESIGN (MAD)

The School of Media, Art & Design (MAD) offers a wide range of programs that ensure graduates are ready for creative work and serious play.

MAD students gain skills and experience while working with community groups to make a positive contribution to both culture and the economy.

The school is also developing projects with industry partners that provide exceptional learning experiences while bringing creative products to market.

Students are being educated to enter highly-coveted careers and graduates help companies grow their business.

MAD has lots of well-equipped workspaces: tune your skills in the simulated radio station or build your knowledge in the fabrication studios. It’s your turn.

Make something. Make a difference.

“With the Advertising – Digital Media Management program I am gaining first-hand industry insight. The specialized experience of my professors and the assignments are helping me a lot to prepare for the work environment. The in-class activities help to build up team work and makes class more fun to learn.”

Linda Daisy Paul from India

First-year Advertising – Digital Media Management student

SCHOOL OF HEALTH & COMMUNITY SERVICES (HCS)

Programs related to health and community services have been offered at Durham College since the 1970s. The school is multidisciplinary, currently offering programs that span health care, wellness and health promotion and community and social services, serving approximately 2,000 students.

Students have access to state-of-the-art learning facilities including the dental clinic, a living lab for the Personal Support Worker program and a 30-bed mock hospital for nursing students. Multiple intakes are offered through the year as well as a field place or practicum to prepare students for the workforce.

**Highly Competitive – Please note: If a student does not meet the minimum entrance requirements for the School of HCS programs, please consider applying to our Pre-Health Sciences Pathway to Certificates and Diplomas (PHSC) program to obtain entrance requirements. This is not applicable for graduate certificates.

FUN FACTS
Students in Durham College’s Practical Nursing program achieved a 100 per cent success rate on the Canadian Practical Nurse Registration Examination (CPRNE).

www.durhamcollege.ca
**SCHOOL OF JUSTICE & EMERGENCY SERVICES (JES)**

Programs in the School of Justice & Emergency Services address both the civil and enforcement aspects of the justice system, as well as emergency services professions. Students studying programs in any of these fields should be willing to serve to ensure public health and safety, and to support the judicial system.

The school is comprised of approximately, 1,500 full-time students supported by 150 full and part-time faculty and staff members. The school offers 12 undergraduate and six graduate programs, many of which offer bridging opportunities to university credentials. Students benefit from our on-campus fire hall, fire safety lab, specialized software lab and mock courtroom as well as our integrated community partnerships.

“Enrolling in the Paralegal program at Durham College has been one of my best decisions so far. Having the support and guidance of the teachers, be it with assignments, tests, or mock trials, it’s clear to see that the faculty work very hard to inspire students to succeed.

My goal once I graduate is to work in small claims court and take on cases related to resident and landlord tenancy as well as traffic ticketing cases.”

**Samiksha Negi from India**

*First-year Paralegal program student*
SCHOOL OF INTERDISCIPLINARY STUDIES (IS)

The School of Interdisciplinary Studies is a diverse school that delivers communication and general education elective courses to programs across the college, along with the General Arts and Science program, which offers both certificate and diploma options.

The General Arts and Science program is an open-enrolment, preparatory studies program for students who wish to further their education at college or university but need to acquire the necessary courses or raise their grades for admission. The program of study, dependent on stream, focuses on strengthening communication, computer, mathematics and/or science skills for specific academic/career pathways in specific college and university programs.

“The General Arts and Science program has given me the confidence and clarity in the career path I have always wanted to take. It’s a program that caters to all – those who are uncertain and those who are certain of what they want to do. I would highly recommend it because it not only opens up many opportunities, it also gives you the foundation for a great career.”

Faith Nyambura Mureithi from Kenya
First-year General Arts and Science program student
The School of Skilled Trades, Apprenticeship & Renewable Technology offers programs that open doors for students in the skilled trades. Housed at the Whitby campus, students have access to state-of-the-art labs to train and prepare for both apprentice and post-secondary opportunities. Popular programs include construction carpentry, electrical engineering technician, plumbing, millwright and welding.

**Fun Facts**

There are two residential labs at the Whitby campus – a house built in the 1970s and a new home. This allows students to compare old and new construction techniques, HVAC systems and electrical installations. Students studying in specific programs have the opportunity to train on mobile crane and welding simulators, providing them with additional practice time before heading into the field.
ADMISSION REQUIREMENTS

Note: Applicants must meet all other entrance requirements for specific programs applied to. Please visit your specific program page at www.durhamcollege.ca/programs for complete information regarding entrance requirements.

Applicants with a minimum of three years of secondary school or post-secondary studies in Canada, Australia, New Zealand, Singapore, United States, United Kingdom and some Caribbean* and selected other countries may be exempted from Test of English as a Foreign Language (TOEFL)/International English Language Testing Service (Academic IELTS) requirements upon provision of a full transcript. Exceptions may apply, please contact the International Student office for full details.

*Excluding international applicants from Cuba, Dominican Republic, Haiti and Puerto Rico.

Flexible start dates

We have the start date that is right for you! This includes six start dates (beginning and middle of each semester) throughout the year to allow you to easily plan and transition to post-secondary programs.

Located in the Greater Toronto Area at Durham College’s Oshawa campus, the English Language Centre (ELC) provides language pathways for students who meet the academic requirements for admission to Durham College but require additional English-language training. Qualified students will receive conditional admission to their Durham College diploma or certificate program at the same time as they receive admission to the ELC.

Benefits of studying at the ELC:
- Six levels to develop the competencies needed for academic programs at Durham College.
- Out-of-class learning activities.
- English-only environment.
- Conversation groups, cultural and social activities, optional field trips and activities.
- Academic and cultural orientation week for all new students.
- Seven weeks (175 hours total) for each level.
- Twenty-five hours a week minimum.
- Classes with a maximum of 14 students.
- Six start dates offered every year.

You will be placed according to the results of the placement test performed at the ELC upon your arrival.

SEAMLESS APPLICATION PROCESS AND TRANSITION TO DURHAM COLLEGE:

STEP 1. Apply using our application portal at www.durhamcollege.ca/intapp.

STEP 2. Receive a conditional Letter of Admission for your Durham College program.

STEP 3. Receive your Letter of Admission for our ELC program.

STEP 4. Study at the ELC and pass the appropriate level.

STEP 5. BEGIN YOUR STUDIES AT DURHAM COLLEGE.

Our levels: All of our levels lasts seven weeks and you can quickly progress from level to level as you improve your English proficiency.

How students transition to Durham College:
- EAP- 4000: When students successfully finish EAP-4000, direct entry to most diploma and certificate programs.
- EAP- 5000: When students successfully finish EAP-5000, direct entry to Durham College graduate certificate programs.

SUBMIT YOUR APPLICATION

In preparation of submitting your application, the following information and documents will be required:

- High school (secondary school) transcript.
- High school (secondary school) diploma.
- Post-secondary (college or university) transcript – if applicable.
- Post-secondary (college or university) degree – if applicable.
- Proof of English Language Proficiency (if required).
- Passport.
- Application Fee of $100 CAD (non-refundable).

All documents are to be scanned and uploaded as part of the online application. It is important to save each document as a separate document (PDF or JPEG documents only; PDF preferred). If the document is several pages in length (university transcripts for example), save as a multi-page PDF when possible.

Go to www.durhamcollege.ca/intapp to submit your application.

APPLICATION FEE

Payment of the $100 CAD non-refundable application fee can be paid by either credit card or GlobalPay Wire Transfer. The payment screen will be on the final page of the application.

CHECK YOUR APPLICATION STATUS

Within 48 hours of submitting your application, you will receive login information to your self-serve application portal. This portal can be accessed at www.durhamcollege.ca/mycampus. On this portal, you can:

- View the status of your application to Durham College.
- Upload any documents which are still required.
- See a record of any admission letters and important email correspondence from Durham College International Admissions.
- Confirm your attendance at Durham College if you have received a letter of acceptance.
- Pay tuition fees (you must have first received a letter of acceptance and confirmed your admission in order to do this).
- View and print your official Durham College fee receipt once tuition fees are paid.

ACCEPT YOUR OFFER

If your application is successful, your letter of acceptance will be available to view and print from your self-serve application portal.

- Accept your offer by confirming through your portal.
- Pay your tuition fee, indicated on your invoice on page 2 by the deadline date.
- Durham College will issue an official fee receipt once the confirmation and fee payment has been received. This fee receipt should be included with your study permit application.
- If you plan to live in an on-campus residence, you must apply by Thursday, June 1, 2017.

PREPARE TO TRAVEL

In order to study at Durham College, international students will need to obtain a Canadian study permit, and in some cases, a temporary resident visa.

Apply for the necessary documentation from Citizenship and Immigration Canada and notify us at confirmationinternational@durhamcollege.ca once you have received your study permit confirmation.

Check your email for important information to prepare yourself for travel to Canada to begin your studies including:

- Important dates for new international students including the compulsory International Student Orientation.
- How to register for your timetable.
- Arrival services information (e.g. how to book airport pickup, temporary and long-term accommodation options, etc.).
- What to pack and bring with you to Canada.
