NOTES:

OPT - OPTIONS - Students have an option to choose between a selection of subjects. OPT1 courses are included in total hours per week.

GRP - This course will take place in multiple semesters, and one group will take it in one semester and a second group will take the second course. In the following semester, these groups will switch.

GNED - Courses with this Subject Code are "General Education" subjects. You will be required to choose a General Education Elective that term when you register.

BRTH - Courses with this Subject Code are "Breadth Electives". You will be required to select a 'Breadth Elective' that term when you register.

SPEC 0000 - when displayed as a pre-requisite you are required to have passed all previous courses and possibly also meet a minimum GPA. Please see your Faculty office for further details.

MOD - course is delivered over a portion of the semester, not the full 14 weeks.
