
How to Make an Online Banking Payment (DOMESTIC students only)

Important Information before Payment:

1. Please ensure you check the [Program Fee Calculator](#) to know how much you are paying for the upcoming semester.
2. Tuition fees assess on your account once you register into a timetable.
3. Bank payments, once made, take 3 -5 days to be received by the college. Please ensure you give yourself enough time to make an online banking payment before a tuition deadline date. If you did not leave [enough time](#), please email central@durhamcollege.ca with a screenshot of your banking payment and student ID.
1. Begin by logging-in to your online banking portal
I.e. – CIBC, TD Canada Trust, RBC, etc.
2. Once logged-in select “Pay Bill”, “Make a Bill Payment”, etc.
The wording will be different depending on the banking institution
3. Your payee is either ‘Durham College’ or ‘Durham College-Tuition’
4. The account number is be your nine-digit student number

***Please note - electronic banking payment take 3 - 5 business days to be received by the college.**

If you are paying your fees within close range of the due date, please email a screen capture of your payment to central@durhamcollege.ca and include your name and student number in the email to avoid a late fee*
