# How to Preview Available Courses

1. Begin by going to your My DC homepage.

2. Select the **Enrolment Services** on the top bar, then **Preview Available Courses**.

3. Select the term and click **Submit**

   Example: We are searching for course code GNED 1106.

4. In the **Subject box**, type the 4-letter course code you are searching for (i.e. type **GNED**) and it will come up highlighted in blue.

In the Course Number box type in the 4-digit number associated with the course code (i.e. for GNED 1106, in this box type in **1106**).

Do not complete any other boxes. You only need to search for a class using the Subject box and Course number box. Then click **Class Search**.

5. The page will now display the available courses from the selected class search (i.e. GNED 1106).

    Please note: this is a live page; course availability is subject to change at any time.

6. You may browse the different options taking note of the Time of class, Days of the week, and Where (in-class or online) that best suits your needs.

    TBA classes are online and asynchronous which means there is no specific day/time

DURHAM COLLEGE
SUCCESS MATTERS

The below circle is the CRN (course registration number)
