

OSAP: STEP BY STEP

1.

REGISTER

as a user on the OSAP website
(www.ontario.ca/OSAP).

COMPLETE

your student profile on the OSAP website. Keep your OAN & password in a safe place - you will use this to check the status of your OSAP application throughout your study period.

2.

COMPLETE

& submit your OSAP application.
Apply Early!

PRINT

all of your supporting documents (signature papers).
Complete electronic **MSFAA** documents online.

REVIEW

other supporting documents required to process your application (marriage certificate, proof of disability etc).

3.

UPLOAD

all required supporting documents.

4.

CHECK THE STATUS

of your OSAP application periodically . You are responsible for contacting the financial aid office to update your application should your circumstances change (income update, change in course load).

5.

WAIT!

Once you begin school, your confirmation of enrollment will be processed by the financial aid office. This action will prompt the release of your funding into your bank account.
