

Advanced Law Enforcement and Investigations (graduate certificate)

Thank you for applying to Durham College's Advanced Law Enforcement and Investigations program. Eligible applicants are college and university graduates with a cumulative GPA of 2.5 or higher.

Faculty from this program offer voluntary, in-person program overview sessions which will provide you with the opportunity to learn more about the program, as well as to ask questions about the program.

The primary purpose of this session is to give you an opportunity to determine suitability of the program to your vocational goals and identify any knowledge or skill gaps that may exist as a result of your prior academic and/or work experience. Our faculty is committed to your success and this session will give us the opportunity to make pertinent recommendations to ensure that your experience in the Advanced Law program is a positive and successful one.

To arrange for your one-on-one meeting, please contact Professor [Neil Gonsalves](#).

Sessions will be offered until the end of June 2019 and we strongly encourage you to take advantage of this opportunity to meet with us.
