AUGUST AND SEPTEMBER 2027

APPLYING TO DC IS EASY

All domestic applicants to full-time programs apply through the Ontario Colleges Application Service (OCAS) at ontariocolleges.ca.

I'M A HIGH SCHOOL STUDENT

If you're applying to college directly from an Ontario or Canadian secondary school, please visit **durhamcollege.ca/apply**.

I'M A MATURE STUDENT

If you are 19 years of age or older as of the first day of classes and do not have an Ontario Secondary School Diploma or equivalent, you may be considered for admission to DC with mature student status. Please visit **durhamcollege.ca/mature-students**.

I'M MISSING ADMISSION REQUIREMENTS

There are a number of ways mature students can gain the qualifications needed for their chosen program, including online Academic and Career Entrance courses, in-person Academic Upgrading, Pre-Admission Testing, and General Arts and Science programs. For more information visit **durhamcollege.ca/admissions/explore-your-admissions-options**.

I'M AN INTERNATIONAL STUDENT

If you are applying as an international student, please visit **durhamcollege.ca/international**.

I WANT TO TRANSFER CREDITS TO DC FROM ANOTHER INSTITUTION

Learn how at **durhamcollege.ca/credittransfer**.

I HAVE PREVIOUS WORK OR LIFE EXPERIENCE

Prior Learning Assessment and Recognition (PLAR) provides a way to formally recognize your previous work, volunteer or other life experience relevant toward your DC program.
Learn more at **durhamcollege.ca/PLAR**.

I WAS PREVIOUSLY EMPLOYED

Learn more about the Better Jobs Ontario program at **durhamcollege.ca/betterjobsontario**.

I'M LOOKING FOR PART-TIME LEARNING

Discover hundreds of courses, programs and micro-credentials across a broad range of disciplines available through Professional and Part-time Learning at **durhamcollege.ca/PPL**.

MATURE STUDENTS

60% of learners at Durham College are mature students who are returning to school after time away, upgrading skills, or pursuing a new career path. Wherever you're starting from, we are here to support you on your post-secondary journey and provide the resources and opportunities for your success.

Learn more about how we support mature students at **durhamcollege.ca/maturestudents.**

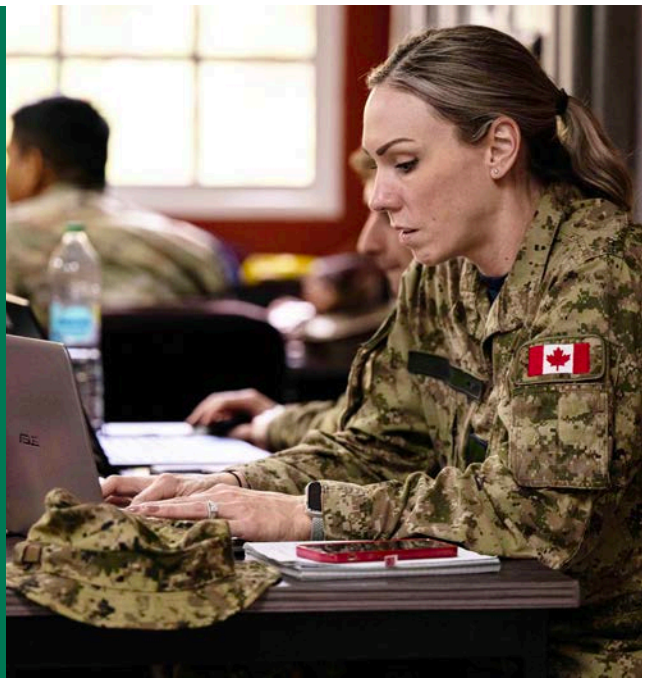

"What I love most about Durham College is the sense of community and belonging."

– Mourin Moyen, mature student and Addictions and Mental Health graduate

MILITARY-CONNECTED LEARNERS

Durham College is proud to be a Military-Connected College, supporting learners with ties to the Canadian Armed Forces, including those currently serving, Veterans, and family members. Your service matters, and we're here to help you build on it as you begin college or continue your education.

For more information on how we support military-connected learners, visit **durhamcollege.ca/military**.

WHY YOU'LL LOVE DC

1

STATE-OF-THE-ART LABS AND TECHNOLOGY

From simulation labs and skilled trades shops to culinary kitchens, media studios and more, the modern facilities and learning spaces at DC facilitate hands-on learning that enables students to develop career-ready skills for an ever-changing job market.

Explore our spaces through **durhamcollege.ca/virtual-tour**.

2

LEARN FROM EXPERTS

DC professors are industry experts and well-connected leaders who know what it takes to prepare you for your career. Their real-world experience puts them in the perfect position to mentor the next generation of professionals entering the workforce.

3

MAKE AN IMPACT

Participate in global discussions, get involved in research initiatives or join fellow changemakers and create innovative solutions and projects to address social, economic and environmental issues within the community.

4

CONNECT WITH EMPLOYERS

As a DC student, you'll benefit from the trusted relationships we've built with employers across all sectors. From job fairs and networking events to guest speakers and experiential learning opportunities, there are many ways to connect with and learn from top employers.

5

COMMUNITY FOR LIFE

From application to graduation, DC is there for you in and out of the classroom. Our student services will support you every step of the way, and that doesn't end once you graduate. You'll go on to join more than 125,000 alumni who stay connected to each other and the college throughout their careers. By choosing DC, you're joining a community for life!

HANDS-ON AND JOB READY AT DC

EXPERIENTIAL LEARNING

The best way for you to learn what it takes to succeed is to roll up your sleeves and do the work! DC students get out from behind desks in our state-of-the-art facilities to put their learning into practice. DC students train at the highest level in programs that are continuously enhanced to reflect industry demands, giving them many opportunities to hone their skills in real-world settings.

More than 80 per cent of our 145+ full-time programs include experiential learning opportunities, ranging from field placements, applied research and co-op work terms, to simulations and integrative exercises built right into course curriculum.

Learn more at **durhamcollege.ca/experiential-learning**.

EARN WHILE YOU LEARN

Co-operative Education

This exciting experiential learning opportunity provides students in identified programs with the ability to gain paid work experience and apply in-class learning while exploring their chosen field.

Co-operative education integrates a student's academic learning with workplace experience in fields relevant to the student's academic and personal goals. Similar to an academic course, work terms are a mandatory component of some programs.

Learn more at **durhamcollege.ca/co-op**.

ONTARIO POWER GENERATION

PARTNER PROFILE

Through its partnership with Durham College, Ontario Power Generation (OPG) proudly invests in developing the next generation of skilled professionals that will power Ontario's future.

DC students have access to career-building opportunities at OPG:

- **Co-op placements, internships, and new graduate roles** give students real-world experience working alongside industry professionals.
- **Career fairs, classroom presentations, and industry-led projects** allow students to build professional networks and explore career paths.
- **Scholarships and partnership initiatives** help reduce financial barriers and create pathways to future employment opportunities.

OPG actively recruits graduates from a wide range of DC programs to support growing demand across engineering, technical and skilled trades careers, making Durham College an important part of its future talent pipeline.

TYPES OF EXPERIENTIAL LEARNING AT DC	
CO-OPERATIVE EDUCATION	Paid work experience that counts as an academic credit but occurs outside of the academic term.
FIELD PLACEMENT	On-the-job experience, typically unpaid, which usually occurs during the academic year.
PRACTICUM	Supervised, unpaid on-site work experience.
APPLIED RESEARCH	Research projects carried out by students and faculty experts.
CAPSTONE PROJECT	A multi-faceted assignment that challenges students to apply all of the knowledge and skills they've acquired throughout their studies.
SERVICE LEARNING	A means to connect with community and industry, test skills in your chosen field and gain real-work experience.

GETTING TO DC

You've got options when it comes to getting to and from campus as well as exploring beautiful Durham Region.

BY CAR

Getting to DC by car is easily accessible by major highways. To get to our Oshawa campus, take the Simcoe Street exit off Highway 407 and go south, or take the Simcoe Street exit off Highway 401 and travel north. Our Whitby campus is conveniently located just off the 401 at the Thickson Road exit in Whitby.

Enjoy Highway 407 for free between Brock Road and Highway 35.

BY BICYCLE

Did you know that Durham Region Transit has a Bike and Ride program? You'll find a bike rack on every bus to encourage cyclists to combine cycling with public transit.

DURHAM REGION TRANSIT (DRT)

All full-time students receive a U-PASS (universal bus pass) that provides students with unlimited travel each semester on DRT. Find out more at durhamcollege.ca/upass.

GO TRANSIT

Closest stop: "Durham College Campus/Ontario Tech University"

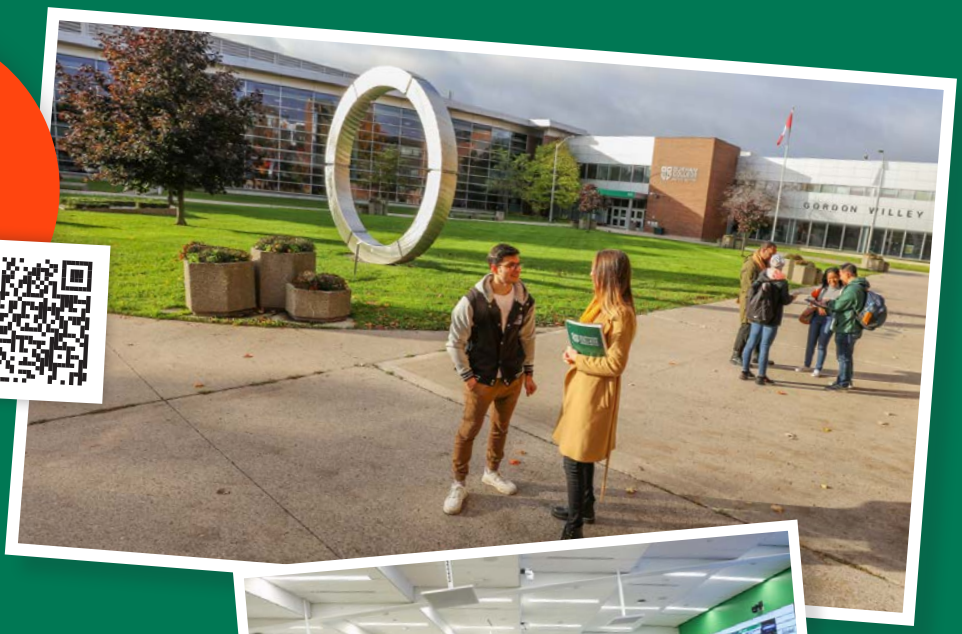

- GO Bus Route 52 – Oshawa/Hwy 407 Bus Terminal
- GO Bus Route 56 – Oshawa/Oakville
- Lakeshore East GO Train to Durham College Oshawa GO Station (transfer to GO Bus or DRT)

Durham College students now save 40 per cent off the single standard adult GO fare with their student discount! Find out more at gotransit.com/en/student-savings.

CHECK OUT OUR CAMPUS THROUGH OUR INTERACTIVE MAP

OSHAWA CAMPUS

2000 SIMCOE ST. N.
OSHAWA, ONTARIO

Our expansive Oshawa campus is bounded by the scenic Oshawa Creek valley and Cedar Valley Park and is home to eight faculties delivering career-focused programs.

The campus features state-of-the-art learning spaces including the industrial-grade Integrated Manufacturing Centre; a wide range of simulation and anatomy labs; the Durham College Spa; the Rotary Global Classroom; and the Centre for Collaborative Education which brings together local, Indigenous, and global communities.

Our Oshawa campus is also home to the Centre for Innovation and Research which houses four applied research centres: the AI Hub, Centre for Cybersecurity Innovation, Mixed Reality Capture Studio and Social Impact Hub.

Connect with knowledgeable staff and access a variety of resources at the Oshawa Campus Library.

Enjoy great food at a variety of service locations.

Stay active at the state-of-the-art Campus Recreation and Wellness Centre and Campus Ice Centre.

Live on campus at the South Village or Simcoe Village residences.

Get your game on at the DC Esports gaming centre.

TAKE A VIRTUAL TOUR

WHITBY CAMPUS

1610 CHAMPLAIN AVE.
WHITBY, ONTARIO

Our Whitby campus is a cutting-edge hub for skilled trades and apprenticeship programs and home to our sustainability-focused food and hospitality programs. Hands-on learning thrives here with dynamic labs, shops and training facilities. The 60,000-square-foot Ontario Power Generation Centre for Skilled Trades and Technology shines a spotlight on industrial skilled trades training, innovation, and education.

The campus also features the W. Galen Weston Centre for Food, which is home to the award-winning full-service restaurant, Bistro '67; retail store, Pantry, featuring food grown and prepared by students; and the Barrett Centre of Innovation in Sustainable Urban Agriculture.

Put your skills to the test in our Learning Living Labs, growing fields and greenhouses, or kitchen labs.

Enjoy great food on campus, including locally grown food at Bistro '67 and the Pantry.

Relax in the student lounge or check out the Whitby Campus Library.

Sweat it out at the Whitby Campus Fitness Centre.

Live on campus at the Whitby Village residence.

GETTING STARTED

Are you ready for college but not sure where to start? Whether you need to upgrade a course, build your confidence, or explore your options, we're here to help you move forward.

ACADEMIC UPGRADING

Free, in-person classes that help students build the skills they need to meet admission requirements for most DC post-secondary programs. The program offers a supportive classroom environment, where dedicated faculty work closely with learners to help them successfully complete courses like ACE Communications, Math, Chemistry and Biology.

NOT SURE WHERE TO BEGIN?

Our preparatory programs give you a one-year introduction to key industries, allowing you to explore your interests, build essential skills, and gain confidence before committing to a career path. With pathways into related diploma programs at DC, these programs are a great way to start your journey.

PREPARATORY PROGRAMS OFFERED AT DC INCLUDE:

- Business Fundamentals – see page 21
- Computer Foundations – see page 21
- Culinary Skills – see page 34
- Emergency Services Fundamentals – see page 28
- Foundations in Art and Design – see page 42
- General Arts and Science – see page 38
- Hospitality Skills – see page 34
- Pre-Health Sciences Pathways – see page 30
- Trades Fundamentals – see page 53

LEARN MORE

JOYCE FAMILY FOUNDATION BURSARY

Students entering preparatory programs at DC can apply to have their tuition covered by this annual bursary that also includes participation in a mentorship program.

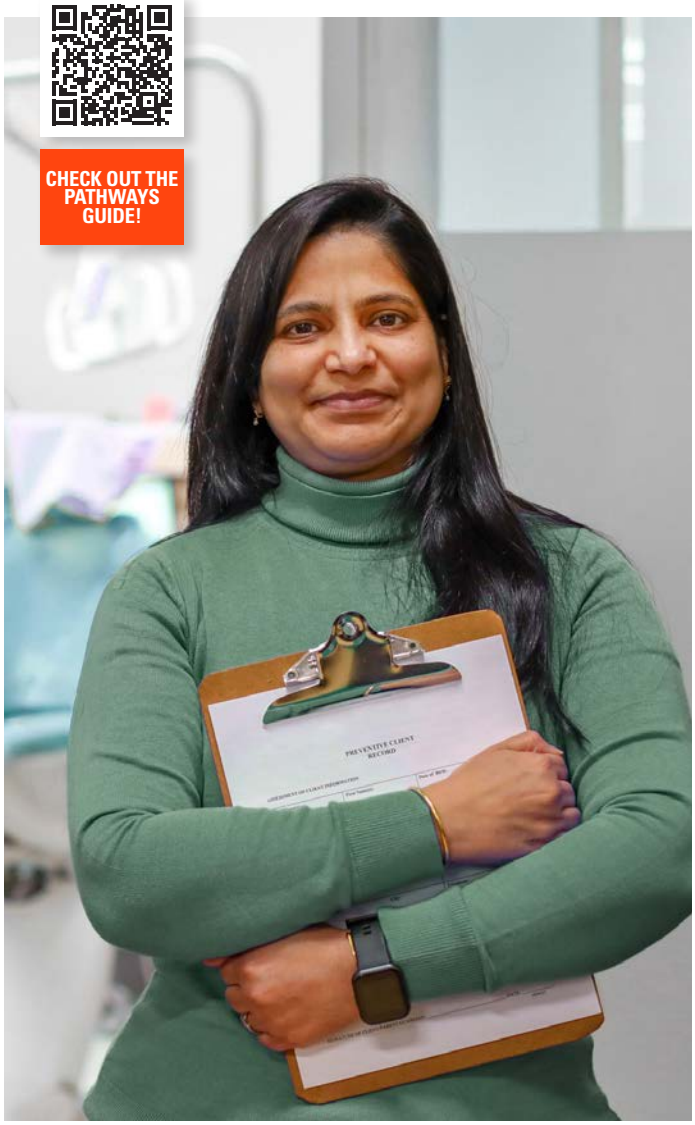

PATHWAYS AND TRANSFER OPTIONS

Turn your DC education into a launchpad to further learning! Whether you're considering another program at DC or exploring opportunities at other institutions, pathways can save you time and money while building on practical, career-focused learning to make you really stand out in the job market.

Already have education or experience? Take advantage of our transfer services and get credit for your prior learning and pave the way for your next academic accomplishments.

CREDENTIALS & MORE

OPTIONS TO FIT YOUR NEEDS

CERTIFICATES (ONE YEAR)

These two- and three-semester programs allow graduates to seek employment in their field of study or continue their education into a diploma, advanced diploma or degree program.

DIPLOMAS (TWO YEARS)

Through four semesters of study, students will be prepared for the workforce or further study in a graduate certificate or degree program. Some programs have a work term at the end of first or second year.

ADVANCED DIPLOMAS (THREE YEARS)

These six-semester programs offer specialized training that prepares students for the workforce or further study in a graduate certificate or degree program. Some programs have a work term at the end of first or second year.

BACHELOR DEGREE (THREE YEARS)

Six-semester bachelor degree programs combine academic theory with applied learning to prepare you for real-world careers. Build a strong foundation of knowledge and skills in a focused format.

HONOURS BACHELOR DEGREES (FOUR YEARS)

Eight- and nine-semester honours degree programs offer a solid foundation of theoretical knowledge and hands-on, practical skills that can be applied in the real world.

GRADUATE CERTIFICATES (ONE YEAR)

These two- and three-semester programs require a university or college credential and/or specific experience for admission, and provide students the opportunity to deepen their knowledge and further hone their skills to expand their career opportunities.

FLEXIBLE LEARNING

DC offers online learning, hybrid and flexible learning options, with some programs providing students the choice of attending in person or online.

PROGRAM SPOTLIGHT

Marketing – Business

Creativity meets strategy! Master digital tools and build real-world campaigns with industry partners. Graduate with in-demand skills for careers in marketing, branding, and analytics. Choose from a diploma, advanced diploma, graduate certificate or university transfer.

PLAY VIDEO

FACULTY HIGHLIGHTS

LEARNING BEYOND THE CLASSROOM

We believe hands-on learning is critical for developing job-ready skills and our programs integrate experiential learning opportunities for students like capstone projects, industry events, provincial and national competitions, field trips and more.

All first-year students receive memberships to all Durham Region Chambers of Commerce and Boards of Trade for the duration of their studies, plus an additional year after graduation. This is a unique opportunity for students to connect with more than 2,500 local businesses, learn from industry leaders and network with future employers.

The IT Student Expo is a premier annual event that connects IT students with local industry leaders, serving as a key career networking opportunity, emphasizing both the students' technical capabilities and the durable, transferable skills essential in today's workforce. As the largest event of its kind in the Durham Region, the event is a valuable platform for students in the Computer Systems, Computer Programming, Cybersecurity, and Artificial Intelligence programs to showcase their technical expertise, communication abilities, and presentation skills.

FACULTY OF BUSINESS AND INFORMATION TECHNOLOGY

FACULTY HIGHLIGHTS

TRAINING FOR THE MODERN WORLD OF NURSING

Our Practical Nursing program is a premier choice for aspiring healthcare professionals, combining rigorous academics with hands-on clinical experience. Students master essential skills in state-of-the-art simulation labs before transitioning to diverse real-world placements.

The curriculum emphasizes holistic patient care, pharmacology, and professional ethics, fully preparing graduates for the REx-PN exam. With a strong reputation for producing compassionate, practice-ready nurses, the program serves as a vital gateway to rewarding careers in Ontario's evolving healthcare landscape.

ALL SMILES AT DC'S ON-CAMPUS DENTAL CLINIC

Students in the Dental Hygiene program practice their pre-clinical, client care and radiography skills in the on-campus Dental Clinic, working closely with a licensed dentist and experienced faculty to provide dental hygiene care for members of the public.

Take a virtual tour of our Dental Clinic as well as our nursing, paramedic and dental labs at **durhamcollege.ca/experience-our-campus**.

PROGRAM SPOTLIGHT

Culinary Management

Guided by a field-to-fork philosophy, students gain hands-on experience in a broad range of techniques and cuisines in the lab with expert faculty.

PLAY VIDEO

FACULTY OF HOSPITALITY AND HORTICULTURAL SCIENCE

From field-to-fork, unleash your passion for horticulture or master the art of food and flavour in a food-focused program. Or dig into DC's dynamic hospitality programs to create unforgettable guest experiences and bring sustainably-focused events to life.

CERTIFICATES

- Culinary Skills
- Hospitality Skills

DIPLOMAS

- Culinary Management
- Culinary Management (Transfer Pathway for OYAP)
- Horticulture – Food and Farming*
- Horticulture Technician*
- Hospitality – Hotel and Restaurant Operations Management*

* Co-op option available.

Learn more at **durhamcollege.ca/HHS**.

For detailed admission information, go to page 34.

Our Culinary students learn from globally recognized chefs, including Dave Hawey, a Worldchefs Certified Chef de Cuisine, and Tanya Heck, a Worldchefs Certified Pastry Chef.

FACULTY HIGHLIGHTS

DC'S HUB FOR FOOD AND HOSPITALITY

Students study in a truly immersive environment at the W. Galen Weston Centre for Food, where the field-to-fork philosophy comes to life. From growing and harvesting to processing, preparing, and serving food, students learn within state-of-the-art facilities, including Bistro '67, a full-service teaching restaurant, and the Pantry, a retail space where student-grown and student-made products are available for purchase.

An extension of our operations and programs, the Barrett Centre of Innovation in Sustainable Urban Agriculture boasts a living lab that supports students across horticulture, agriculture, culinary, and hospitality programs. Designed to mirror the complexity of modern food systems, the Weston Centre's advanced labs and facilities prepare graduates to address food insecurity, strengthen local food systems, and support resilient, sustainable communities.

At Durham College, students don't just learn about the future of food — they help shape it.

CULTIVATE YOUR CAREER IN HORTICULTURE

Our Horticulture Technician and Horticulture – Food and Farming programs are designed to help you discover your path while building the skills employers value. Both programs share a common first year, giving students the flexibility to explore your interests, confirm your direction, and develop a strong foundation alongside a community of like-minded learners.

From day one, learning is hands-on. Students gain practical experience through work-integrated learning opportunities at the Barrett Centre Urban Farms and across the operations of the W. Galen Weston Centre for Food, connecting classroom learning directly to real-world application.

For students eager to expand their opportunities, it's now possible to earn both Horticulture credentials in just three years instead of four — saving time while opening doors to a broader range of careers. Entrance scholarships supported by the Barrett Centre help make education more affordable.

FACULTY OF HOSPITALITY AND HORTICULTURAL SCIENCE

PROGRAM SPOTLIGHT

General Arts and Science

This program provides opportunities to refine key academic skills and strategies while developing the foundational knowledge needed to help ensure success in subsequent post-secondary studies.

PLAY VIDEO

FACULTY OF LIBERAL STUDIES

Still deciding on your path? Kickstart your post-secondary journey with a General Arts and Science (GAS) program to gain a valuable foundation and earn credits that can transfer to a future diploma or degree.

CERTIFICATES

- General Arts and Science – General Certificate
- General Arts and Science – Liberal Arts Ontario Tech University Transfer
- General Arts and Science – Liberal Arts Ontario Tech University Transfer – Forensic Psychology
- General Arts and Science – Science and Engineering Preparation – Ontario Tech University
- General Arts and Science – Trent University Transfer

Learn more at **durhamcollege.ca/LS**.

For detailed admission information go to page 38.

TOP THREE REASONS YOU SHOULD CONSIDER A GENERAL ARTS AND SCIENCE PROGRAM

1 **IT'S A SMART ALTERNATIVE TO A GAP YEAR.**
Still exploring options? Launch your post-secondary journey without losing momentum! In just two semesters, earn an Ontario College Certificate plus transferable credits while discovering your interests.

2 **YOU'LL BUILD A STRONG FOUNDATION FOR WHAT'S NEXT.**
Strengthen your writing, research, and critical thinking skills while gaining confidence in a supportive environment—with small classes, approachable faculty, and access to academic advising.

3 **IT OPENS DOORS.**
GAS programs are a flexible option that let you earn transferable credits and build a pathway into other college or university programs you may not have qualified for initially.

FACULTY OF LIBERAL STUDIES

*Note: Mature Student Status is anyone 19 years of age or older and does not have an Ontario Secondary School Diploma (OSSD).

PROGRAM / CODE	ADMISSION REQUIREMENTS	CAREER OPTION EXAMPLES	CAMPUS	SEMESTERS	INTAKES
General Arts and Science – General Certificate Code: GASC Certificate	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	As a graduate, you can pursue employment opportunities or further your studies in another diploma, advanced diploma, or degree program.	Oshawa	Two	Sept Jan
General Arts and Science – Liberal Arts Ontario Tech University Transfer Code: GAST Certificate	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	As a graduate, you can pursue employment opportunities or further your studies in another diploma, advanced diploma, or degree program, including a number of programs at Ontario Tech University.	Oshawa	Two	Sept
General Arts and Science – Liberal Arts Ontario Tech University Transfer – Forensic Psychology Code: GASF Certificate	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	As a graduate, you can pursue employment opportunities or further your studies in another diploma, advanced diploma, or degree program, including a number of programs at Ontario Tech University. FACULTY HIGHLIGHTS

STUDENT-LED CELEBRATION OF MUSIC

For over two decades, students in the Music Business program have taken their learning out of the classroom to organize and host Oshawa Music Week. This annual event elevates the local music community and promotes local musicians through performances, competitions, showcases and a music business summit. For the students who bring the festival to life every year, it's a dynamic way to gain hands-on skills and experience.

DECORATE THE WORLD AROUND YOU

Our Interior Decorating program is a great launch pad for your creative future. Students build a professional portfolio and master design principles for residential and commercial spaces. With a 14-week field placement and training in industry tools, students are ready for careers in design, styling, and beyond — combining creativity with real-world skills.

FACULTY OF MEDIA, ART AND DESIGN

*Note: Mature Student Status is anyone 19 years of age or older and does not have an Ontario Secondary School Diploma (OSSD).

PROGRAM / CODE	ADMISSION REQUIREMENTS	CAREER OPTION EXAMPLES	CAMPUS	SEMESTERS	INTAKES
Advertising and Promotion Code: AVMC Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	account executive, content creator, copywriter, influencer, marketing coordinator, media planner/buyer, media sales representative, production artist/junior art director, production studio coordinator, social media manager, strategic planner (junior)	Oshawa	Four	Sept
Animation – Digital Production Code: ADP Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Portfolio of work	3D or 2D artist (animator-modeller-rigger), animator, character animator, compositor, game animator, modeller and rigger, rigging artist, layout artist, lighting artist, motion capture artist, production assistant, visual effects artist	Oshawa	Six	Sept
Fine Arts – Advanced Code: FINE Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	curatorial assistant, fabricator, gallery curatorial assistant, illustrator, museum/gallery technician, professional studio artist, photographer, videographer	Oshawa	Six	Sept
Foundations in Art and Design Code: FAD Certificate	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	As a graduate, you can choose to pursue further studies in art and design at Durham College in the Faculty of Media, Art & Design.	Oshawa	Two	Sept
Game – Art Code: GART Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Grade 11 Math (C, M or U) A senior-level Visual Arts or Media Arts credit, OR Portfolio of work	environment artist, surfacing artist, technical artist, animator for games, motion capture clean-up artist, lighting artist, 3D modeller, pre-production artist, level designer, game developer, concept artist, production manager, project manager, quality assurance technician	Oshawa	Six	Sept
Graphic Design Code: GDES Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Grade 11 Math (C, M or U) Senior-level visual or media arts credits or portfolio of work	advertising designer, agency studio artist, art director, brand strategist, creative director, digital content creator, digital production designer, exhibit designer, freelance graphic designer, graphic designer, layout artist, marketing coordinator, motion graphic designer, packaging designer, prepress technician, production artist, UX/UI designer, web designer	Oshawa	Six	Sept
Interior Decorating Code: INDR Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Recommended: Grade 11 or 12 Visual Arts (C, U, or O)	colour consultant, event designer/decorator, furniture and décor buyer, interior decorator, interior design consultant, interior design technician, interior stylist, office/retail/commercial/residential space planner, project manager (interior design), set decorator, showroom designer, visual merchandiser	Oshawa	Four	Sept
Music Business Code: MBAD Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) (60% min.)	artist booking agencies, artist and tour management, major and independent record labels, marketing and promotions, music licensing, music publishing, music supervision, event production, music production (live and recorded), venue management, merchandising, freelance	Oshawa	Four	Sept
Photography Code: PHGR Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status AND Grade 12 English (C or U)	advertising photographer, corporate photographer, digital asset manager, e-commerce photographer, event, fashion photographer, institutional photographer (museums/galleries/hospitals/police services), photo retailer/lab technician, portrait photographer, post-production photo/video specialist, product photographer, professional content creator, real estate photo/video productions, sports, wedding photographer	Oshawa	Four	Sept
Radio and Audio Production Code: BRCM Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status AND Grade 12 English (C or U)	blogger or brand ambassador, radio/television studio technician, radio/television/web director, radio/television/web host, radio/television/web journalist, radio/television/web producer, television or film editor, videographer/camera operator	Oshawa	Four	Sept
Video Production Code: VIPR Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	freelance videographer, video and sound recording technician, video editing and post-production technician, corporate video producer, social media content designer, video and new media artist, web design video specialist	Oshawa	Four	Sept
Web Development Code: IMWD Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U)	web developer, UI/UX designer and developer, front-end developer, product designer, web designer, front-end web developer, senior developer	Oshawa	Four	Sept

PROGRAM SPOTLIGHT

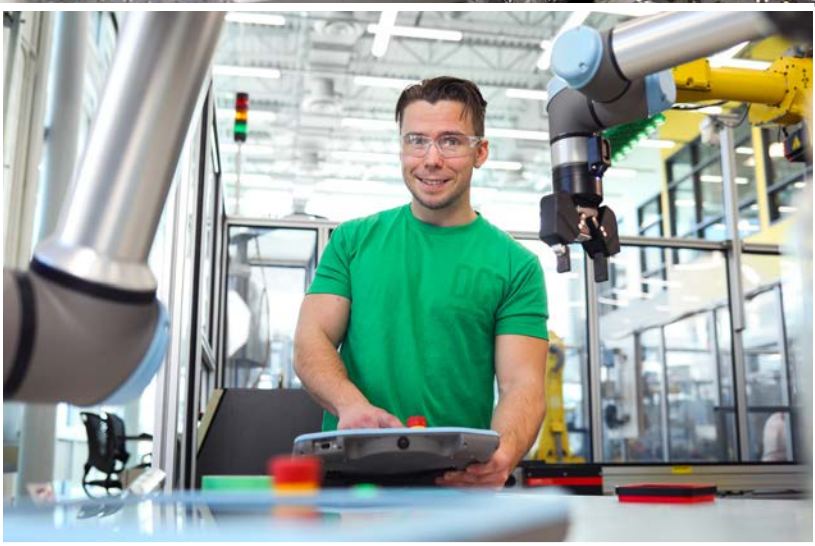

Mechanical Engineering Technician – Non-Destructive Evaluation

Ensure safety across multiple industries. This program delivers hands-on training, advanced inspection and testing skills, and globally recognized certifications — preparing you to detect defects, protect infrastructure, and stand out in in-demand sectors such as nuclear, manufacturing, aerospace, transportation, and energy.

PLAY VIDEO

FACULTY OF SCIENCE AND ENGINEERING TECHNOLOGY

Improve the world we live in with a career that will allow you to question, experiment, design, troubleshoot, and build new processes and technologies. Level up your future in one of these dynamic programs.

DIPLOMAS

- Civil Engineering Technician*
- Environmental Technician
- Mechanical Engineering Technician
- Mechanical Engineering Technician – Non-Destructive Evaluation*
- Mechanical Engineering Technician – Non-Destructive Evaluation (fast-track)

ADVANCED DIPLOMAS

- Architectural Technology*
- Biomedical Engineering Technology
- Biotechnology Advanced Diploma
- Biotechnology – Advanced (fast-track)
- Chemical Engineering Technology
- Chemical Engineering Technology (fast-track)
- Civil Engineering Technology*
- Electromechanical Engineering Technology*
- Mechanical Engineering Technology*

DEGREE

- Bachelor of Construction Management
- Construction Management – Honours Bachelor
- Construction Management - Honours Bachelor (Transfer Pathway for Civil Engineering Technology Advanced Diploma)
- Construction Management - Honours Bachelor (Transfer Pathway for Architectural Technology Advanced Diploma)

* Co-op option available.

FACULTY HIGHLIGHTS

CUTTING-EDGE SPACES

Gain hours of practical experience in DC's world-class labs.

The Integrated Manufacturing Centre, a modern, industrial-grade, automated facility houses major equipment components including human-machine interface terminals, industrial networks and robots, material handling systems, programmable logic controller hardware, and more.

The Biomedical Lab is a state-of-the-art facility designed to provide students with the hands-on experience needed to excel in the dynamic field of biomedical engineering technology. The lab is equipped with industry-grade medical devices and cutting-edge instrumentation, ensuring that students gain practical skills that are directly applicable to real-world healthcare settings.

Check out these spaces as well as the Architecture Studio, Civil Engineering Labs, and the rest of our campus at **durhamcollege.ca/experienceourcampus**.

ENGINEER YOUR PATHWAY TO A DEGREE

Graduates of Durham College's advanced diploma programs in Engineering Technology can apply to transfer into an upper year of the civil, mining, mechanical, or chemical engineering degree programs offered by Smith Engineering at Queen's University. By recognizing prior college coursework, this pathway reduces duplicated learning and shortens the time required to earn a degree. After completing online preparatory courses and a semester of foundational studies, DC's graduates can enter their chosen engineering program at Queen's prepared for success.

FACULTY OF SCIENCE AND ENGINEERING TECHNOLOGY

*Note: Mature Student Status is anyone 19 years of age or older and does not have an Ontario Secondary School Diploma (OSSD).

PROGRAM / CODE	ADMISSION REQUIREMENTS	CAREER OPTION EXAMPLES	CAMPUS	SEMESTERS	INTAKES
Architectural Technology Code: ARHY (co-op option available) Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Grade 12 Math (C, M or U)	building material representative, contractor, design/builder developer, building material manufacturer, designer of small buildings and interiors, project coordinator, project manager	Whitby	Six	Sept
Bachelor of Construction Management Code: BDCM Bachelor's Degree	Ontario Secondary School Diploma (OSSD) or Mature Student Status Six Grade 12 U or M courses with a combined minimum average of 65% including: Grade 12 U English with a final minimum grade of 60% Grade 12 U Mathematics with a final minimum grade of 60% Recommended: Calculus, Vectors and Physics OR Mature Student Status Grade 12 U English with a final minimum grade of 60% Grade 12 U Mathematics with a final minimum grade of 60% Recommended: Calculus, Vectors and Physics Post-secondary courses in English and Mathematics will be considered	junior co-ordinators, junior field co-ordinators, junior construction co-ordinators, junior/assistant estimators, health and safety, quality co-ordinating/control	Whitby	Seven	Sept
Biomedical Engineering Technology Code: BMTY Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Grade 12 Math (C, M or U)	biomedical engineering technologist, dialysis technologist, field service representative, medical imaging service specialist, installation technologist, nephrology technologist, technical consultant, technical service representative	Oshawa	Six	Sept
Biotechnology Co-op Code: BTTC Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Grade 12 Math (C, M or U) or Grade 11	biotechnology technologist, quality assurance technologist, immunology technologist, microbiology technologist, quality control technologist, clinical study technologist, food technologist, instrumentation technologist, research technologist	Oshawa	Six	Sept
Biotechnology Fast-track Code: BTFT Advanced Diploma	To be considered for the fast-track (credit transfer) pathway a specific educational background is required as follows: Degree or diploma in a directly related field of study or comparable credential completed within the last five years. Two post-secondary chemistry courses with a minimum grade of C/60 per cent (one must have a lab component). One post-secondary biochemistry course with a minimum grade of C/60 per cent. Proof of English Language Proficiency. Additional information may be requested to demonstrate practical lab experience.	microbiology analyst, quality assurance analyst, quality control technologist, research technologist, tissue processing specialist, associate scientist, instrumentation technologist, clinical study technician, food technologist, research technologist	Oshawa	Two	Sept
Chemical Engineering Technology Code: CHEM (co-op option available) Advanced Diploma	Ontario Secondary School Diploma (OSSD) OR Mature Student Status* AND Grade 12 English (C or U) Grade 12 Math (C, M or U)	chemical operator, chemical technologist, field engineering representative, instrumentation technologist, nuclear lab technologist, nuclear operator, operations process coordinator, process and development engineering technician, process supervisor, purified water treatment coordinator, quality assurance lab technologist, radio chemical technologist, radioactive materials & chemistry technician, research analyst, water analysis and service technician	Oshawa	Six	Sept
Chemical Engineering Technology (fast-track) Code: CHMF Advanced Diploma	College diploma or degree in a directly related field of study or comparable credential completed within the last five years. Two post-secondary chemistry courses with a minimum grade of 60 per cent. One post-secondary calculus course with a minimum grade of 60 per cent. Proof of English language proficiency required Applicants who are internationally educated in a non-English speaking country must meet Durham College's English Language Proficiency Policy	nuclear chemical technician, chemical lab technologist, water analysis and service tech, research and development tech, radiation safety tech, tech service rep	Oshawa	Two	Sept

FACULTY HIGHLIGHTS

THE FUTURE IS ELECTRIC

The Vanhaverbeke Family EV Training Centre is helping DC advance electric vehicle and sustainable technology through the Electric Drive Vehicle Technician program. The demand for qualified EV technicians is growing every year, and graduates of the program will be prepared to join this booming industry in Canada's clean energy sector. Students get the technical knowledge and hands-on learning needed to diagnose, repair, and service the high voltage systems used in power electric and hybrid vehicles.

HANDS-ON LEARNING IN LABS AND SHOPS

Located at the Whitby campus, the 60,000 square foot Ontario Power Generation Centre for Skilled Trades and Technology (CSTT) is home to many specialized labs and shops that support student learning across numerous full-time post-secondary and apprenticeship programs.

In the Mobile Crane Simulator Lab, students begin to understand the types and configurations of cranes and the science of how they operate. The Motor Vehicle Shop is equipped with vehicles for students to learn disassembly and reassembly procedures and troubleshooting mechanical techniques. The campus also boasts shops for carpentry, welding, millwright, power engineering, plumbing, electrical, and the Vanhaverbeke Family EV Training Centre.

FACULTY OF SKILLED TRADES AND APPRENTICESHIP

*Note: Mature Student Status is anyone 19 years of age or older and does not have an Ontario Secondary School Diploma (OSSD).

PROGRAM / CODE	ADMISSION REQUIREMENTS	CAREER OPTION EXAMPLES	CAMPUS	SEMESTERS	INTAKES

*Co-op option available.

Traditional weekday program and online part-time options available.

Learn more at **durhamcollege.ca/SCS**.

For detailed admission information, go to pages 56-58.

FACULTY HIGHLIGHTS

FOCUSED ON EXPERIENTIAL LEARNING

At DC, you'll take your learning outside of the classroom and gain real-world experience through dynamic, hands-on learning experiences. Students may participate in field placements hosted by schools, community agencies, law firms and more, to build your skills and networks. Students also have the opportunities to practice their skills through mock trials in our Moot Court, participate in simulated emergency events, and engage in fitness testing.

ADD A DEGREE TO YOUR DIPLOMA

Graduates with a Social Service Worker diploma can leverage prior learning to earn an Honours Bachelor of Community Mental Health in just two years. Students in this pathway build advanced counselling, research, and advocacy skills for today's complex mental health landscape, and explore trauma-informed care, addictions, and community-based supports while gaining valuable hands-on experience through field placement. Expert faculty provide personalized learning and strong industry connections. Graduates are prepared for impactful roles in community agencies, crisis response, and mental health services.

FACULTY OF SOCIAL AND COMMUNITY SERVICES

*Note: Mature Student Status is anyone 19 years of age or older and does not have an Ontario Secondary School Diploma (OSSD).

FINANCING YOUR EDUCATION

ONTARIO STUDENT ASSISTANCE PROGRAM (OSAP)

OSAP is Ontario's flagship student support program, offering a mix of grants and loans to thousands of students each year. If you need financial assistance as you pursue your education, it might be right for you.

SCHOLARSHIPS, BURSARIES AND AWARDS

Durham College works with donors and industry partners to offer a number of scholarships, bursaries and other awards; many of them faculty and program specific.

FINANCIAL LITERACY AND PLANNING

Knowing how to handle your finances is crucial, whether you're still in school or embarking on your career. We have a number of resources to help you get smarter with your money.

ON-CAMPUS EMPLOYMENT PROGRAMS

Earn while you learn! Whether through a co-op placement or our on-campus work study opportunities, DC students can get paid while developing career-ready skills.

WE'RE HERE TO HELP!

At Durham College, we offer a range of student services and supports to help you succeed in the classroom, on campus, and beyond.

ACCESS AND SUPPORT CENTRE (ASC)

We strive to foster inclusive learning environments designed for diverse learners. The ASC provides:

- Support with accommodations and assistive technology
- Accessibility coaching
- Counselling, peer coaching and executive skills-building
- ASD life skills and social groups

durhamcollege.ca/asc
asc@durhamcollege.ca

CAMPUS HEALTH AND WELLNESS CENTRE (CHWC)

The CHWC is a comprehensive facility dedicated to promoting and supporting students' health and well-being. We offer a range of services to support managing a healthy lifestyle and addressing the diverse needs of our college community, including:

- A walk-in clinic, which offers full-service medical care provided by experienced physicians and nurses, plus on-site lab and pharmacy services
- Mental health 1:1 supports, resources and groups to help address concerns such as stress, anxiety, and depression and promote emotional resilience and mental well-being
- Health and wellness promotion events, groups, outreach and peer-led initiatives focused on enhancing overall well-being

chwc@durhamcollege.ca

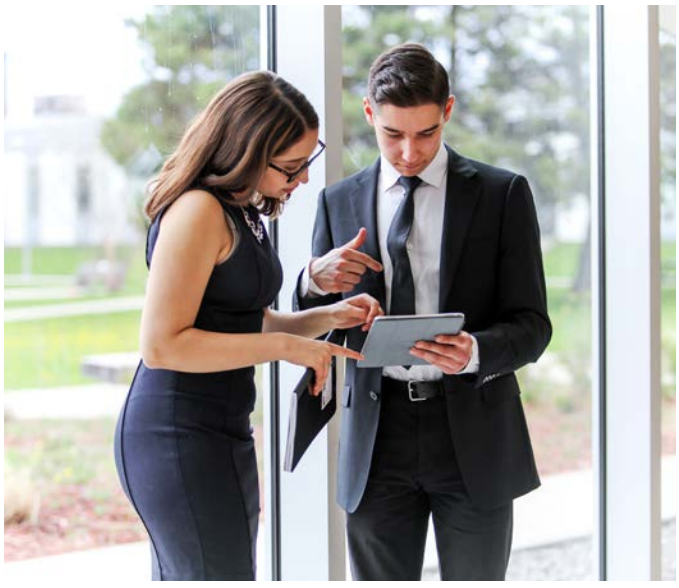

STUDENT AND CAREER DEVELOPMENT

Our team is here to support you throughout your journey at Durham College. We offer programming designed to help you start strong, thrive during your time here, and build skills for your next steps.

Our goal is to enhance your college experience — academically, personally, and professionally — through a variety of programming and services, including:

- Orientation and student life events
- Student leadership and development opportunities
- Programs to build community and support your journey
- Employment coaching and career preparation
- Resumé and cover letter development
- Job search assistance

durhamcollege.ca/studentdevelopment

OFFICE OF EQUITY, DIVERSITY AND INCLUSION

At DC, we strive to cultivate an enduring sense of belonging for all members of our campus community through services grounded in a human rights framework. Students can access:

- Education related to sexual violence and harassment, human rights, and equity and inclusion
- Individualized and group programming through Reach. Include. Support. Elevate (RISE), designed to help equity-deserving students succeed in college
- Support with resolving human rights concerns
- Assistance navigating sexual violence disclosures and human rights concerns

durhamcollege.ca/equity
equity@durhamcollege.ca

STUDENT ACADEMIC LEARNING SERVICES (SALS)

SALS provides academic support to promote active and independent learning. Our services are designed to help you reach your academic goals, through:

- Appointments with specialists
- Peer tutoring
- English language and writing support
- Course-specific tutorials
- Online tools, workshops, and quiet study spaces

durhamcollege.ca/sals

DURHAM COLLEGE LAND ACKNOWLEDGMENT

Durham College is situated on the traditional lands of the First Peoples of the Mississaugas of Scugog Island First Nation. These lands are covered under the Williams Treaties and rest within the traditional territory of the Anishinaabeg. We offer our gratitude to the Indigenous Peoples who care for and, through the treaty process, share the lands on which we live, learn, teach and prosper today.
