

Freedom of Speech Annual Report Template (2024)

As indicated in the December 14, 2018 and September 12, 2018 memos from the Ministry of Colleges and Universities, each of Ontario's publicly-assisted colleges and universities is to prepare an annual report on the implementation of a free speech policy. Please use this template; you may append additional documents or institution-specific information as you see fit.

The institutional Freedom of Speech Annual Report will be a public document and should respect privacy obligations. Please report on events or incidents that took place between **August 1, 2023** and **July 31, 2024**.

The reports are to be posted on the institution's website and submitted to the Higher Education Quality Council of Ontario (HEQCO) by **September 3, 2024**.

Please submit your institution's annual report and the link to its location on your website to submissions@heqco.ca. Please reach out to HEQCO at the same address with any questions.

Section A: Institutional Policy

You may append additional documentation or institution-specific information as you see fit.

Has your institution amended its free speech policy (or policy framework) since the time of your 2023 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

No, there has been no change to our Policy.

Where are members of the institutional community (or guests) directed when there is a free-speech-related question or complaint about an institutional event? Please provide contact information.

Members of the institutional community (or guests) would be directed to speak to Debby Allbon, Executive Director, Strategic Reporting (debby.allbon@durhamcollege.ca or 905.721.2000 Ext. 2257) in the Office of People, Equity & External Relations regarding any free speech-related questions or complaints.

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

All events either on or off campus that are directly related to the institution require the submission of a "Campus Event Application". This application is sent to the Manager, Risk Management for review. This review determines what security concern(s) exist and whether or not the event will be sanctioned/authorized based on the information received and/or if a mitigation strategy can be put in place to reduce the risk.

There were no non-curricular events that did not proceed due to security concerns or related costs.

Section B: Complaints

You may append additional documentation or institution-specific information as you see fit.

Between **August 1, 2023** and **July 31, 2024**, did any member of the institutional community (or guests) make an official complaint about free speech? If yes, please provide a general description that protects the privacy of complainants.

Yes. There is an active case from November of 2023 resulting from a formal complaint under the Upholding Free Speech Policy.

If there has been an official complaint (or more than one):

What were the issues under consideration? Please identify any points of contention (e.g., security costs, safety, student unions and/or groups, operational requirements, etc.).

This incident continues to be under investigation, noted as OCS Case file 23-079.

How did the institution manage the free speech complaint(s)? Was the complaint addressed using the procedures set out in the policy? How were issues resolved?

Processes under the Student Conduct Policy commenced and still ongoing at the time of this report.
