

2025-2026 STUDENT AWARDS DONOR UPDATE

INVESTING IN STUDENTS SUCCESS

Our role as a leader in post-secondary education is to create opportunities for individuals to transform their lives. By supporting Student Awards at Durham College (DC), you're helping students access the experiential learning they need to build successful careers and enrich their communities.

Learners come to DC from various stages of their lives, each facing their own unique challenges. Some arrive straight from high school, others as mature students ready to make a change or expand on their existing credential through a graduate certificate or degree. Your gift to DC helps students overcome financial barriers to education, empowering them to reach their goals.

On behalf of our students and all of us at DC, thank you.

Sincerely,

Ariel Sully

I would like to sincerely thank you for your generosity. Your support is truly encouraging and serves as a strong source of motivation for students like me to continue striving for excellence."
