Pay It Forward

As a new grad, you know at DC the student experience come first, in part thanks alumni who give back through volunteering or financial contributions.

There are many ways to give of your time at the college including serving as a mentor, becoming a campus tour guide, sitting on a program advisory committee or serving on the DCAA Board of Directors. Visit www.durhamcollege.ca/alumnivolunteers for more information on the various opportunities.

If you would like to support DC with a financial donation there are also a number of choices for philanthropy. Whether it's contributing to building new spaces on campus or supporting a bursary or scholarship, gifts to DC help ensure the college can meet the needs of its students.

Recognizing Our Alumni

We are proud of our alumni and want to recognize their achievements. The DCAA does this in a number of ways.

Given each year, the Alumni of Distinction Award honours the extraordinary contributions DC grads make to society while achieving career success. DC grads are also featured in alumni spotlights and inducted into Sports Hall of Fame.

The college also nominates alumni for Colleges Ontario's yearly Premier's Awards.

KPI Opportunity

DC is able to ensure the success of its students and graduates through data collected from the Key Performance Indicators (KPI) survey. Since 1998, colleges have been mandated by the Ontario government to collect and report performance data in five areas – graduate satisfaction, student satisfaction, employer satisfaction, employment rate and graduation rate. Gathered by an independent research company, the KPI results show that Ontario's colleges achieve consistently high results when measured by students, graduates and employers.

As a recent grad, you may be contacted by phone to complete the survey. Similarly, your employer may be asked to complete the survey but will only be allowed to do so with your permission.

KPIs are not meant to gage the individual but the overall effectiveness of the college.
