DC Updates

Durham Region FAM Trip!

Durham College was proud to collaborate with [Trent University](#), [Ontario Tech University](#), and [Invest Durham](#) to co-host a Familiarization (FAM) Trip!

We had the pleasure of welcoming global recruitment partners for an immersive experience across the Durham Region. Partners explored the campuses through guided tours, connected with faculty and students, and gained a deeper understanding of the student experience. Through Invest Durham, agents also explored employment prospects and the strong connection between education and career pathways in the

region, experiencing firsthand why Durham Region was recognized as an [Intelligent Community of the Year in 2025](#).

We are proud to share and showcase the Durham Region as a place where education and industry align, and we value the continued relationships built through experiences like these!

Celebrating Convocation 2026!

Congratulations to all of our graduates on reaching this incredible milestone and celebrating their well-deserved convocation! Their hard work, resilience, and commitment have truly paid off, and we are so proud of all that they have accomplished.

We would also like to extend our sincere thanks to our agent partners for your ongoing support, guidance, and dedication throughout each student's journey. Your efforts in helping students navigate every step, from application to arrival, have made this achievement possible, and we are grateful to celebrate this success together!
