STUDENT TESTIMONIAL

Hi, my name is Marileida Fonseca, I'm from Brazil, currently I'm on my third semester at Durham College taking Business Marketing.

Ever since I got here, the experience has been wonderful. The lecturers are great and always willing to assist students which makes studying there fun and encouraging.

The thing that stood out to me the most is the multicultural aspect of the place. There's a mix of students from across the globe and this enables me to learn outside the syllabus and from different cultures. The equipment is new and there is a constant supply of resources that would make us successful.

I picked Durham College solely because of its reputation and the programs it has for overseas students. To be honest, it was a great decision. I would suggest anyone who is considering studying here to go for it! It's an amazing experience that will help you with a lot of opportunities later in life.
