

CAMPUS PHARMACY
by LOVELL DRUGS

Announcement – Campus Pharmacy by Lovell Drugs now open

September 7, 2021

Campus Pharmacy by Lovell Drugs is pleased to inform all students, staff, and members of the Durham College/Ontario Tech University community that the pharmacy is officially back to normal operations and will be open **M-F, 9am-5pm** (closed weekends and holidays) to serve all of your prescription and health care needs.

Further to our reopening you will also notice a new face in the pharmacy. We are pleased to introduce you to our new pharmacy manager, **Olivia Ballesteros**, whose priority is always putting patient care and community first above all.

Olivia is very excited to meet the clinic team and foster an openly communicative and collaborative practice to provide the best possible care. She has a passion for preserving the personalized pharmacy experience and making everyone feel welcome to the pharmacy. Whether you are a student, staff or campus community member, Olivia is here to consult with you for all of your health care and prescription needs.

**Please join me in celebrating the reopening of Campus Pharmacy by Lovell
Drugs and welcoming Olivia to her new role!**

Sincerely,

Cory Sydorenko
