

The Government of Canada has put in place emergency measures to slow the introduction and spread of COVID-19 in Canada. When you arrive in Canada, you **MUST QUARANTINE** for 14 days and respond to the Durham College International Education Office symptom-checker every day for 14 days.

Your compliance with this is subject to monitoring, verification and enforcement. Those in violation may face detention in a quarantine facility as well as fines and/or imprisonment. Maximum penalties include a fine of up to \$750,000 and/or imprisonment for six months.

Spot checks will be conducted by the Government of Canada to verify compliance.
