Convocation is all about you, our graduates – and it's finally here. As we celebrate your hard work and perseverance, it is an honour for me to share this incredible milestone with you as you cross the stage to receive your Durham College (DC) credential. Your family, friends, faculty, mentors and supporters are here to cheer you on, too, so I hope you're as proud of yourself as we are.

Whether you choose to further your studies or enter the workforce, you are well prepared. I encourage you to continue seeking knowledge, embrace every opportunity that comes your way and trust in what you have learned at DC.

On this special day, take a moment to pause and reflect on the accomplishments that brought you to this milestone. The obstacles you have overcome and the growth you've experienced will serve you well as you conquer goals yet to come. Your future is bright and remember that you always have the DC community rallying behind you and cheering you on as you lead the way.

THURSDAY, OCTOBER 26 – EVENING CEREMONY

Lauren Bull

Lauren Bull is a successful entrepreneur, in part a result of the strong business foundation she gained from Durham College's (DC) Human Resource Management post graduate certificate in 2006.

By combining her passion for creativity with her knowledge of business, Lauren started her career working in the marketing and advertising industry for large brands such as General Motors, Sapporo, Canon, Sony, Samsung, KitchenAid and GE Appliances. Her strengths included customer experience and engagement, strategy development and digital marketing.

After 14 years in the corporate world, Lauren listened to an inner calling to take on a new challenge. In 2016, after overcoming anorexia and bravely battling depression, Lauren founded the business Canoe & Lake, a clothing brand inspired by her grandmother's mantra "paddle your own canoe." Lauren pulls much of her resilience and strength from her brand's mission as she continues to prioritize her mental health every day. She wanted to inspire people to paddle their own canoes in their own life as a way to learn, grow and strengthen.

By 2019, with an undeniable work ethic, Lauren had successfully grown her business to a point that she was able to leave the corporate world and has since then, been exclusively an entrepreneur. While growing her business from a deeply rooted vision, it was important to Lauren to also give back, so each year, Canoe & Lake donates to eating disorder inpatient programs across Canada.

Guest Speaker

THURSDAY, OCTOBER 26 – AFTERNOON CEREMONY

Brandon Bird

Brandon Bird's journey towards leadership in his family's mechanical business commenced with a commitment to acquiring a robust skill set. His tenure at the company began in 2002 in various capacities, instilling in him the values and expertise necessary for the future. Simultaneously, he embarked on his college education, successfully completing his Level 3 Plumber Apprentice Certificate in 2012 at Durham College.

As a licensed Red Seal Plumber, Brandon steadily ascended through the ranks, consistently seeking opportunities for business development and growth. In 2016, at just 28 years old, Brandon assumed the role of Chief Executive Officer (CEO), becoming the youngest CEO in the company's history. Brandon initiated pivotal movements for his company, including the major acquisitions of John McKenzie Plumbing in 2014, R.G. MacDuff Contracting Ltd., an established civil contracting firm in 2018 and Tin Knockers Custom Ltd. in 2021.

Brandon's forward-thinking vision led to the establishment of Bird Mechanical's Atlantic office in Halifax, Nova Scotia. This expansion endeavor signified the company's first office establishment outside Ontario. And under his leadership, Bird Mechanical has tripled its sales revenue to a staggering \$75 million annually.

In 2023, Brandon was recognized for his outstanding achievements in the construction industry, being named in On-Site Magazine's "40 Under 40 in Canadian Construction." This recognition is a testament to Brandon's exceptional dedication, expertise and contributions to the construction industry.

- Professional contribution
- Service and support to the college and its communities

Stephanie Ball

Stephanie Ball joined Durham College (DC) as a faculty member in January 2000 and retired from her role as Executive Dean in June 2022. Mentorship and collaboration were cornerstones of Stephanie's professional practice and the example she set and initiatives she implemented at DC will continue to benefit students for years to come.

Under her leadership, DC faculties collaborated on a training initiative with Oshawa Fire, implemented Mental Health First Aid and mindfulness training for students in multiple programs, created the Alumni Mentoring Program and fostered faculty and student participation in applied research, international opportunities, and industry groups.

Stephanie helped establish Project Lord Ridgeback in collaboration with community and faculty partners and encouraged faculty and student participation in the first, now annual, Social Justice Week. As well she developed and launched the Court Tribunal Agent program, which evolved into the Paralegal program, now regulated by the Law Society of Ontario. Shortly before her retirement, Stephanie was also instrumental in developing DC's newest degree program, the Honours Bachelor of Paralegal.

As a lawyer in Durham Region, Stephanie assisted many residents with legal issues in family, real estate and business law. A number of her notable accomplishments include: joining Durham Community Legal Clinic as its Executive Director, sharing her expertise with the Law Society of Ontario on the Family Legal Services Provider Licence, presenting "Faculty and Student Engagement: Collaboration Fostering Community and Societal Awareness" at the Chair Academy's 2019 International Leadership Conference, as well as providing extensive volunteer work, locally and provincially. Stephanie is also a past member of both the Alcohol and Gaming Commission of Ontario and the Canada Pension Plan Review Tribunal.

2023 Alumni of Distinction

The Alumni of Distinction award honours the extraordinary contributions Durham College (DC) graduates make to society while achieving career success. Recipients are selected based on professional, community and personal accomplishments, contributions to the advancement of DC, and the geographic (regional, national, and international) scope of impact for their achievements. Congratulations to the following 2023 recipients!

Christine Cunningham

Social Service Worker, 2015

Less than a decade after graduating from the Social Service Worker program, Christine Cunningham has established herself as a leader in the field of perinatal mental health, supporting hundreds of women in need.

Christine runs a successful counselling private practice that serves perinatal clients (those who are pregnant, trying to conceive, or welcoming a baby into their family). She is also the founder and executive director of Perinatal Wellbeing Ontario (PWO), a not-for-profit organization that provides free to low-cost mental health supports to those living with a perinatal mood and anxiety disorder (PMAD).

With OHIP-covered PMAD programs in short supply and high demand, Christine founded PWO to help fill the gap. They offer a number of valuable services for those who don't have access to care elsewhere, including individual or group therapy and peer support programs, free e-courses for those experiencing symptoms of PMADs, as well as a podcast about challenges in the perinatal period.

Christine also works to increase awareness of PMADs and their impacts on parents and families, and provides support and mentoring through education sessions, one-on-one consultation and supervision with other therapists.

Her contributions to volunteerism have been recognized with several awards, and she works to ensure the future of quality PMAD care by acting as a placement supervisor for Social Service Worker students from Durham College and psychotherapy students from universities throughout Ontario.

2023 Alumni of Distinction (continued)

Stew MacDonald

Sports Administration, 1981

Stew MacDonald has made quite an impact on the sporting landscape of western Canada.

After graduation, the first stop on his professional journey was Regina, Saskatchewan, where he served as director of marketing and publicity for the Pats of the Western Hockey League (WHL). In 1987, he joined the Edmonton Oilers of the National Hockey League (NHL), where he served as director of marketing for over a decade. In 1998, he was named chief operating officer of the American Hockey League's (AHL) Saint John Flames and guided the club for five seasons.

He rejoined the Oilers in 2004 and has spent the last two decades in senior management roles with the organization and was named president and chief revenue officer of OEG Sports & Entertainment in 2021. In his current role, he guides a team responsible for ticket sales, premium seating, corporate sales, marketing and business intelligence for the Oilers, the WHL's Edmonton Oil Kings, the AHL's Bakersfield Condors and Rogers Place arena.

His teams have won three Stanley Cup Championships, as well as one Calder Cup and one Memorial Cup. He continues to support Durham College as an Alumni Leader, a participant in the DC Talks: Alumni Series, and a mentor to students.

2023 Alumni of Distinction (continued)

Tre Sanderson

Culinary Management, 2015

Tre Sanderson has made a name for himself as one of the most talented chefs in Canada.

He was the winner of Food Network Canada's Top Chef Canada Season 10, showcasing his impressive culinary skills and passion for food. A first-generation Canadian with Jamaican roots, Chef Tre is inspired by his Caribbean heritage and infuses it into every dish he creates. His dishes are a reflection of his unique culinary perspective, artful plating, and explosive flavours that have earned him numerous accolades and recognition in the industry.

Chef Tre has worked in some of Toronto's best kitchens throughout his career. He has been able to incorporate diverse culinary influences into his own creations, making him a dynamic and innovative chef. In 2023, he was awarded the Restaurants Canada Culinary Award of Excellence. He was also named one of Kostuch Media's Top 30-Under-30.

Chef Tre is proud to be recognized as the first Black chef to win Top Chef Canada and is honoured to be inspiring the next generation of young diverse chefs. He is a firm believer in the power of food to unite people from all walks of life and is passionate about promoting diversity in the culinary world. Through his cooking, he hopes to break down barriers and bring people together.
