

# General Arts and Science (GASC) – Find your Fit!

The General Arts and Science (GASC) program gives you the opportunity to **find your fit** by exploring different areas of study through **seven** elective courses (listed as GNED 0000). Choose your electives from this semester’s GNED offerings or from any of the featured courses below from diploma programs in the Faculty of Social & Community Services. Click any course name below to see the course description.

To add these courses to your GASC registration, contact [LS@durhamcollege.ca](mailto:LS@durhamcollege.ca).
