STUDENT TESTIMONIAL

My journey at Durham College has been an incredible ride, and I'm grateful for every moment.

First off, I've been lucky to work with the International Office and the Durham College Student Association. This has not only allowed me to give back to the DC community, but has also helped me grow personally and professionally.

One of the best things about my time here has been the support I've received from the college. From the PREP1000 and Home@DC courses that introduced me to all the amazing services available to students, to the guidance I received from my career coach, Mukta Chauhan, at the Career Development Office – Durham College has been there every step of the way. Getting a scholarship for my high IELTS score was also a huge honor, and it motivated me to keep striving for excellence.

I've also had the chance to have some serious fun! From student events to making lifelong friendships, my time at Durham College has been unforgettable.

Thanks to everyone who has been a part of my journey so far – I can't wait to see what the future holds!
