Music Business Administration Program

## STUDENT TESTIMONIAL

Hello, my name is Victor. I'm currently pursuing a diploma in Music Business Administration at Durham College. It's been a bit of a challenge to return to school at nearly 55, especially among classmates mostly in their late teens and early twenties. But honestly, it's been an incredible journey so far—intellectually enriching and filled with professional growth.

From courses on Music Industry Overview and Music History to Contract Law and Event Planning, I've been busy soaking up all the knowledge. With hard work and a bit of determination, I'm proud to say I've maintained a 5.0 GPA through my three terms!

What I absolutely love about the Music Business Administration program is the incredible professors who are deeply embedded in the Canadian music scene. Their experience and insights are invaluable, and I feel so grateful to be a part of this community.

Every day here at Durham College reaffirms my belief that I made the right choice, and I can't wait to see what the future holds for me and my family!
