STUDENT TESTIMONIAL

Participating in the International Student Mentorship Program was truly a rewarding experience for me. As an international student, I know that navigating a new educational system and cultural landscape can be daunting, but this program provided invaluable support and guidance every step of the way. Being a mentor in this program allowed me to lend my support and guidance to my mentees during their adjustment period at school. Through this program, I've had the opportunity to share my knowledge, offer advice, and provide a supportive ear for my mentees facing various challenges. Seeing their triumph over challenges and flourishing in their new surroundings fills me with a deep sense of pride, and witnessing their growth, both academically and personally, is truly inspiring. Partaking in this program made me feel blessed, as it allowed me to make a meaningful difference in my mentees' lives. I'm grateful for the opportunity to be part of such a transformative program that fosters diversity, inclusivity, and personal growth. I wholeheartedly urge anyone who wants to make a positive impact and develop deep relationships with international students to apply to be a mentor in the International Student Mentorship Program.
