Renew your study permit

WHEN TO APPLY TO EXTEND YOUR STUDY PERMIT

Apply to renew your study permit¹ a minimum of 30 days before it expires². This should be well before 30 days if you need to extend your SIN in order to give you time to extend it, as you would need your SP extended first to extend your SIN. The length of a SP cannot go past the passport expiry date, and if you apply before the SP expires, then conditions on the old SP still apply (maintained status) as long as you in Canada.

HOW TO APPLY TO RENEW YOUR STUDY PERMIT

Visit www.canada.ca, choose either English or French and click on the Immigration and Citizenship section. There are two ways to access the application:

1. Click on **Sign in** or **Create an account**, then click on **Apply to come to Canada**. Next, scroll down to **I don't have a personal reference code** and click on **Visitor, Study or Work Permit**.

Or

2. Click on **Study**, and follow the instructions.
