

Leadership Development

LEARN
MORE!

The Leadership Development Series program will enhance leadership skills and develop new skills to help meet career and organizational objectives. The program will provide a solid foundation for those looking to enter leadership positions, and for those currently in front-line or mid-level management positions. The program will build on existing skills and experience and apply those skills to workplace situations.

Content includes communications, ethics, performance management, change management, team building, planning, and project management. The courses can be taken in any order. There are a number of assignments for each course that will be completed outside of class time.
