Message from the President

Congratulations, graduates! Today, we recognize your remarkable achievements made possible by your steady commitment, determination, and hard work.

Behind each graduate stands a circle of support, and I'm honoured to join the families, friends, faculty, and mentors whose encouragement and guidance played a significant role in your academic journey.

The industry knowledge, practical experience, and durable skills you gained at Durham College (DC) will serve you throughout your career and life. You demonstrated curiosity, resiliency, and adaptability — qualities that will guide you as the world evolves and opportunities emerge.

At DC, we believe in the power of education to transform lives, build careers, and enrich communities. As graduates, you now carry that impact forward. Whether you are entering the workforce, pursuing further education, or exploring new possibilities, you have the skills and ability to create positive change.

Wherever your path leads next, know that the entire DC community is proud of what you have accomplished and excited for what lies ahead. Take a moment to reflect on all you have achieved and how far you have come. You earned this.

Dr. Elaine Popp
President, Durham College

Message from the Board Chair

Graduates, on behalf of Durham College's (DC) Board of Governors, congratulations on earning your credential.

As a Board, our work is guided by a clear purpose: supporting student success. Every decision we make — from long-term planning to institutional priorities — is focused on creating opportunities for DC students to learn, grow, and thrive.

Convocation is a defining moment. It marks the point at which efforts become achievements and acknowledges the persistence that has brought you to this stage.

Today also reinforces what DC stands for — being future-focused, sustainable, people-centred, and community-connected. These principles shape how we prepare graduates with the knowledge and capabilities needed in a changing world.

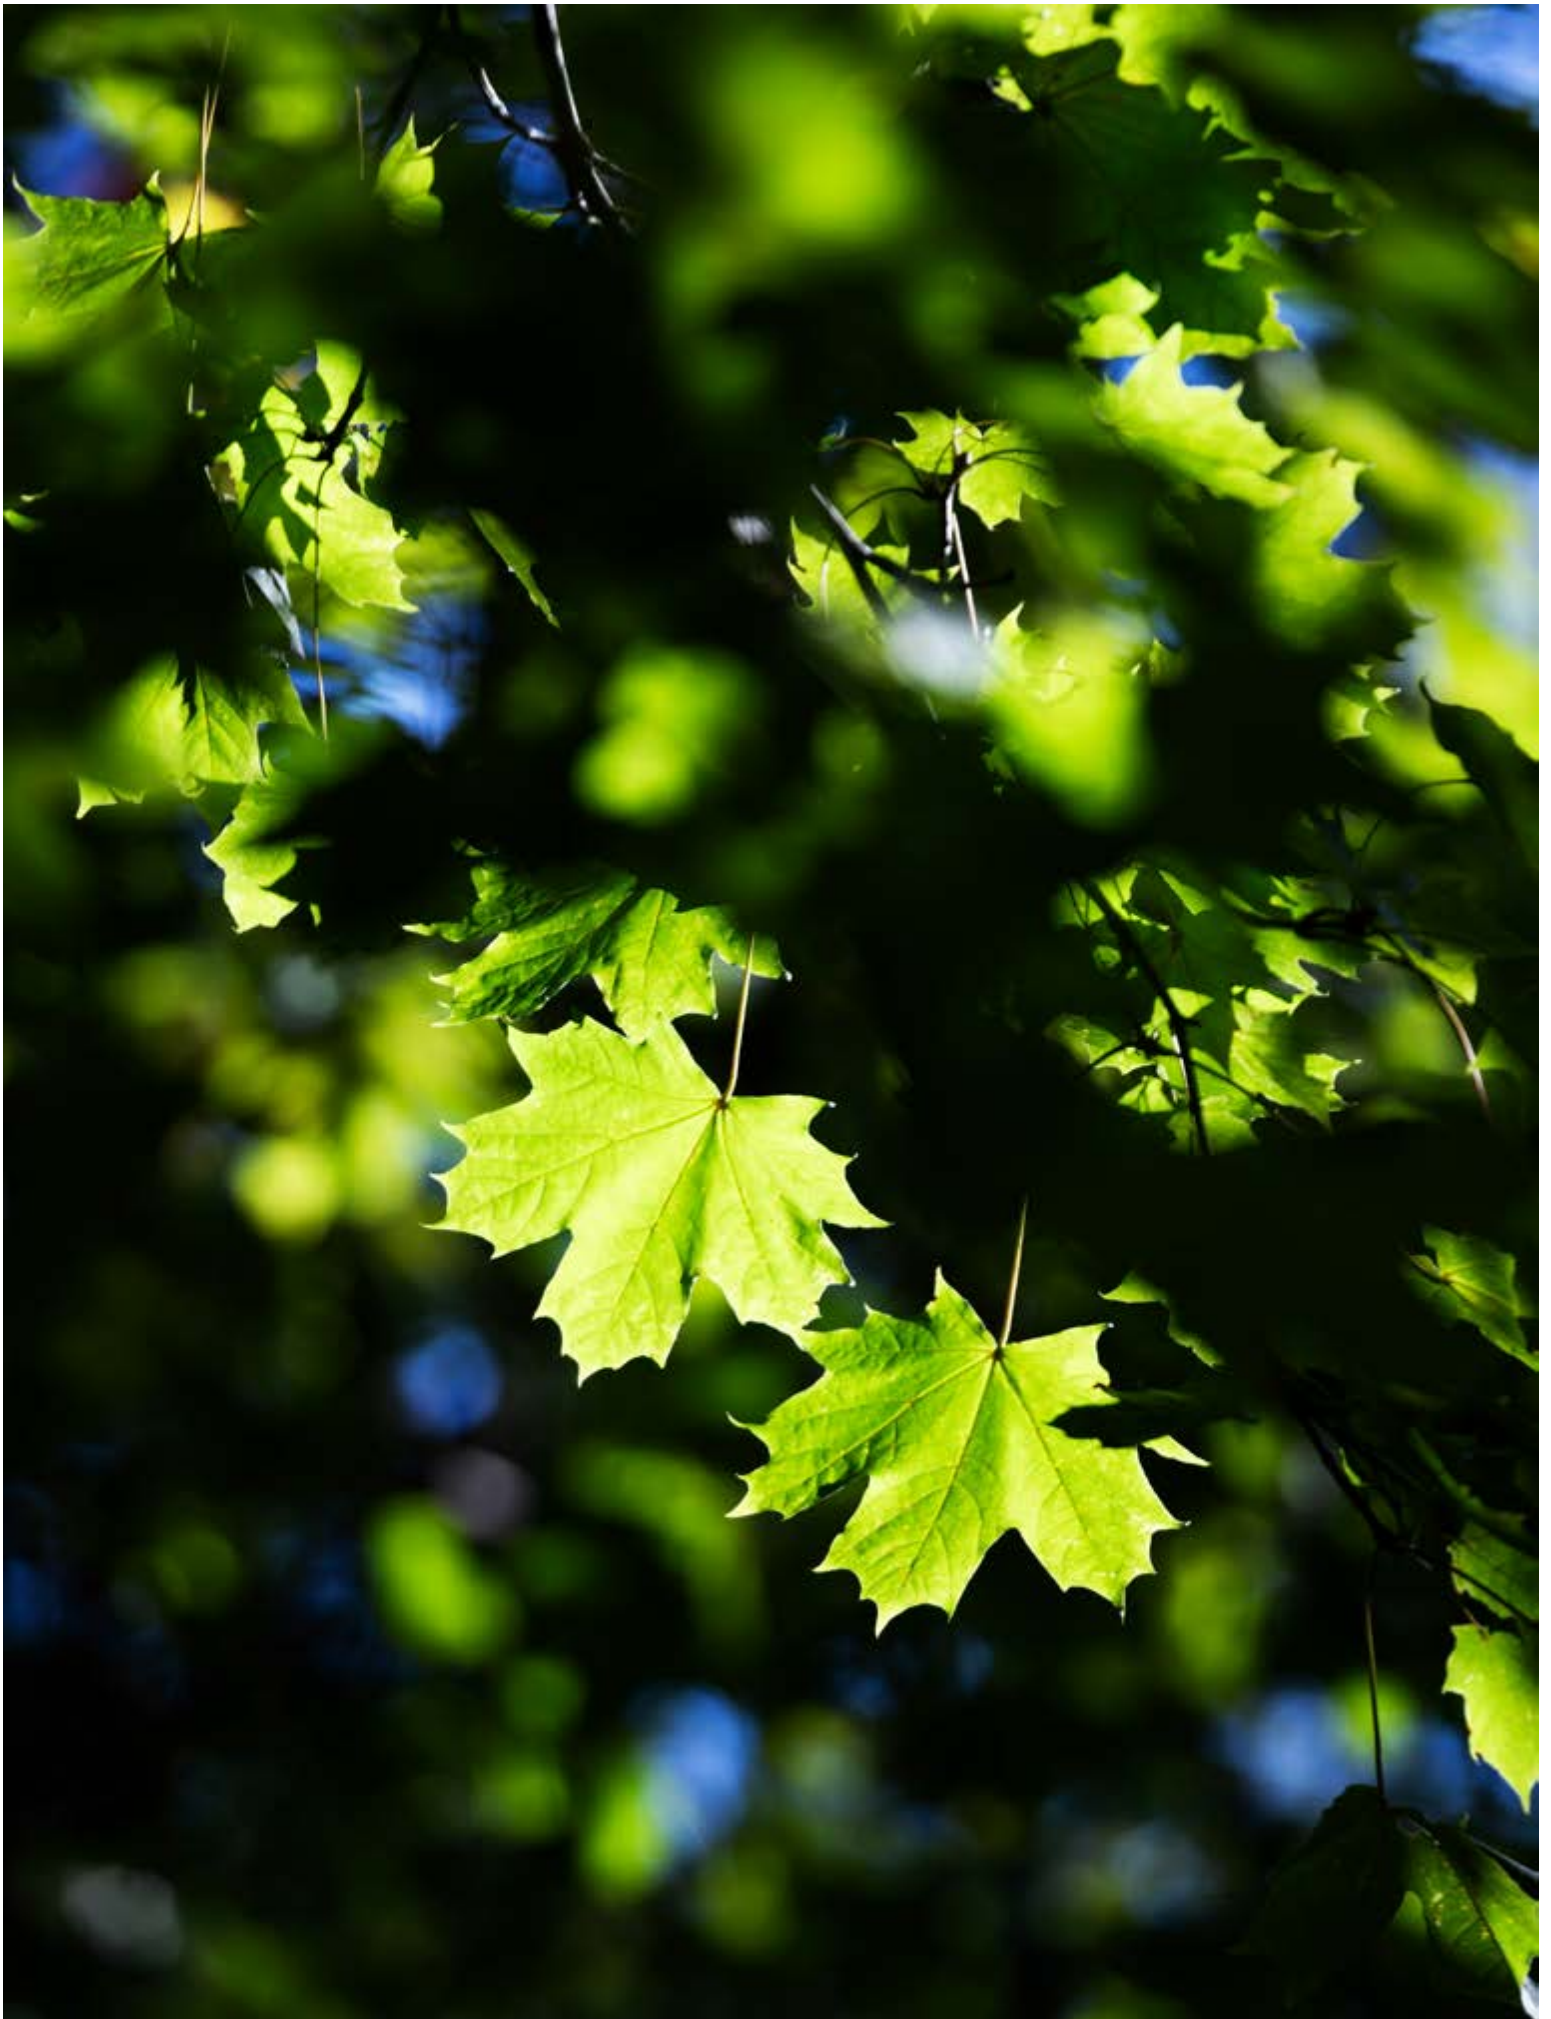

Your accomplishments give this work real meaning and reflect a future filled with opportunity. As you start your next chapter, you do so with distinction as a DC graduate.

We are thrilled to share this occasion with you and look forward to seeing the impact you will have in your communities and beyond.

Congratulations once again, and best wishes in all that comes next.

Chair, Durham College Board of Governors

INDIGENOUS LAND ACKNOWLEDGEMENT

We recognize the lands on which we gather are covered under the Williams Treaties and rest within the traditional territory of the Mississaugas, a branch of the Anishinaabeg Nation, which also includes Algonquin, Chippewa, Odawa, Ojibway, and Pottawatomi. It is through the treaty process that we are able to live, learn, teach, and prosper in this region.

We acknowledge with gratitude this land and the Indigenous Peoples who have cared for and continue to protect Turtle Island, known as North America, and its resources.

We commit to the responsibility of reconciliation and the work of increasing awareness and understanding of our shared history. We do so by recognizing the past and working towards a shared future as friends and allies.

Durham College: Through the Years

Since opening its doors nearly 60 years ago, Durham College (DC) has prioritized student success, academic excellence, and enriching the community. What began with 205 students in 16 portable classrooms has grown into two modern campuses, serving thousands of learners each year, across more than 145 full-time programs in diverse and in-demand fields.

DC was established during a pivotal moment in Ontario's educational history, following 1965 legislation that introduced colleges of applied arts and technology. The college officially launched in Oshawa in 1967 under the leadership of its first president, Dr. Gordon Willey. By the 1970s, DC had expanded with permanent buildings and new programs, and by its 20th anniversary in 1987, enrolment neared 2,700 students.

The 1990s and 2000s were marked by continued growth, most notably with the opening of the Whitby campus in 1993. This era of expansion also included major milestones such as Durham College's 40th anniversary in 2007 and the unveiling of an Alumni Wall of Distinction in the Gordon Willey Building. The momentum continued with the grand opening of Phase 1 of the Whitby campus expansion in 2009, further enhancing the college's capacity to deliver high-quality education and training.

A commitment to innovation and experiential learning defined the 2010s, with major initiatives such as opening the Centre for Collaborative Education and the W. Galen Weston Centre for Food – home to Bistro '67. DC expanded hands-on learning in skilled trades, culinary arts, and sustainability.

In the 2020s, DC continued to lead in applied research and emerging technologies. New facilities opened, such as the Ontario Power Generation Centre for Skilled Trades and Technology, the Centre for Innovation and Research, and dedicated Vanhaverbeke Family EV Training Centre and prototyping labs underscoring the college's focus on future-ready skills.

In 2024, Dr. Elaine Popp became the DC's sixth president. Under her leadership, DC launched a new Strategic Vision in 2025, which sets out our four goals – future-focused, sustainable, people-centred, and community-connected – and brings to life our shared purpose of *transforming lives, building careers, and enriching communities*.

The Durham College Crest

Rich in symbolism, the Durham College (DC) crest is a powerful reflection of tradition, identity, and aspiration. Its gold lions are drawn from the historic arms of the See of Durham in England, reflecting a legacy of learning and leadership. The open book represents education, while the maple leaf ties the institution proudly to Ontario and Canada. The laurel wreath surrounding it denotes success.

At its foundation is the college's Latin motto, *Excellentia Per Perseverantiam* — Excellence through Perseverance, a guiding principle that reflects the dedication and determination of the DC community. For students, graduates, and employees alike, the crest remains a timeless emblem of academic pursuit, achievement, and institutional pride.

Gonfalons

Gonfalons have been a symbolic part of Durham College's Convocation history, adding tradition and meaning to the ceremonies. The gonfalon – a vertical flag that hangs from a crosspiece – is rooted in medieval custom and is used to represent the college's academic Faculties. During Convocation, the gonfalons are displayed prominently on the stage. This tradition highlights the Faculty identity, honours academic achievement, and strengthens the sense of pride and unity among graduates and the college community.

Congratulations from Durham College's Office of Advancement and Alumni Relations

The Office of Advancement and Alumni Relations is proud to officially welcome you to the Durham College Alumni Association (DCAA), a network of more than 125,000 graduates across the globe. Congratulations on reaching this incredible milestone.

Today is a day to reflect and celebrate all you have accomplished. But your journey with DC doesn't end after your final classes; it's just the beginning. As you navigate life after graduation, the DCAA is here to provide you with services and resources designed to help you thrive. Downloading our mobile app, DC Alumni Connect, is the easiest way to get access to alumni discounts, contests, events, and your digital alumni card.

We want to hear about your accomplishments and the difference you are making in your professions and communities. If you'd like to share what you get up to after graduation, please email us at alumni@durhamcollege.ca or visit durhamcollege.ca/alumni-in-focus to submit your story for a chance to be featured on DC's online channels – we love amplifying alumni stories that help inspire the next generation of learners!

You can also stay connected through our Durham College Alumni LinkedIn page, joining the exclusive Durham College Alumni LinkedIn group, and by following us on Instagram ([@alumni_dc](https://www.instagram.com/@alumni_dc)).

Best wishes for your continued success. We can't wait to see what you do next!

2026 Alumni of Distinction

Carrie-Anne Atkins

Public Relations, Class of 1998

Carrie-Anne Atkins is a senior strategic communications and stakeholder relations professional at Ontario Power Generation, currently Senior Manager, Corporate Relations & Projects at the Wesleyville Site, where she builds trusted relationships and advances key initiatives. A recognized leader in Durham Region, she has served in numerous volunteer positions across civic, philanthropic, business, environmental, and community organizations, including as President of the Durham College Alumni Association, Board Director of the Parkwood National Historic Site, President of Greater Oshawa Chamber of Commerce Board of Directors, and Chair of the Durham Community Foundation. She is a strong ambassador for DC, building partnerships between the nuclear industry and the college that have resulted in program development and enhanced learning opportunities for students. Nationally, Atkins contributes to leadership development and gender equity in the nuclear sector through Women in Nuclear Canada and collaborates with government, industry, and communities to shape public understanding of energy and infrastructure projects.

2026 Alumni of Distinction (continued)

Matthew Canning

Practical Nursing, Class of 2009

Matthew Canning is the Clinical Director of Ontario's largest in-person PrEP clinic, where he leads a multidisciplinary team delivering comprehensive HIV prevention and treatment services. The clinic serves more than 5,000 patients annually and provides both HIV-focused and primary care to a largely uninsured population. He is deeply committed to equitable access to HIV prevention and treatment, and to advancing the role of Nurse Practitioners in achieving this goal. His work has contributed to system-level improvements, including collaboration with the FAST-HIV program to support rapid linkage to HIV prevention services from emergency departments, and to the evolution of Ontario's Vitalink program aimed at reducing financial barriers to laboratory testing. In addition to clinical leadership, he has served on HIV research advisory boards focused on expanding care for women and gender-diverse populations, was a part of the scientific steering committee for Canada's first injectable PrEP (CAB-LA) guidance, and is a contributing author to the Canadian Family Practice Guidelines (2nd edition).

2026 Alumni of Distinction (continued)

Dr. Danna Paulson

Dental Hygiene, Class of 2010

Dr. Danna Paulson is a tenure-track Assistant Professor at the University of Minnesota School of Dentistry. Beginning her career in Ontario and then internationally in the Cayman Islands, she gained extensive experience in general, pediatric, and orthodontic dentistry before relocating to Minnesota to explore opportunities in teaching and research. A nationally recognized mentor, she demonstrates a dedication to lifelong learning and contributions to education, research, and leadership within her profession. In her role as Chair of Dental Hygiene Admissions at the University of Minnesota, she has contributed to a holistic review process that considers applicants' broader experiences, strengths, and potential for success alongside academic achievement. Her scholarly work focuses on oral health-related quality of life and patient-centered outcomes research across diverse populations. In addition to her academic accomplishments, she has directly helped improve oral health access by organizing, attending, and expanding student involvement in community fluoride varnish clinics serving underserved adults and children in partnership with churches and schools, participating in Give Kids a Smile events and school-based oral health education programs, and volunteering in National Health Week initiatives.

2026 Alumni of Distinction (continued)

Rachael Wraith

Public Relations, Class of 2007

Rachael Wraith is an accomplished leader with nearly 20 years of experience in strategic communications, public engagement, and reputation management. As Associate Vice President at Global Public Affairs, Canada's leading government relations and strategic communications firm, she provides senior counsel to national and international clients across various economic sectors. Prior to Global, she spent a decade in the public service and acted as a Public Information Officer during the COVID-19 pandemic. Earlier in her career, she worked for an environmental NGO on key files in conservation, sustainability, water quality, and climate change. These efforts earned her recognition as one of Canada's Top 25 Environmentalists under 25. A champion for DC and real-world experience, she has remained connected to the college by sharing her knowledge and inspiring future communications professionals as a Program Advisory Committee Chair, guest speaker, and mentor.

A graduate in a black gown with a green sash is shown from the chest up, holding a small object in their hand. The background is a dense field of green ivy, and the scene is filled with falling confetti in various colors including orange, purple, green, and blue.

Congratulations
to our graduates!
