INDIGENOUS LAND ACKNOWLEDGEMENT

Durham College recognizes the lands on which we gather are covered under the Williams Treaties and rest within the traditional territory of the Mississaugas, a branch of the Anishinaabeg Nation, which also includes Algonquin, Chippewa, Odawa, Ojibway and Pottawatomi. It is through the treaty process that we are able to live, learn, teach and prosper in this region.

We acknowledge with gratitude this land and the Indigenous Peoples who have cared for and continue to protect Turtle Island, known as North America, and its resources.

We commit to the responsibility of reconciliation and the work of increasing awareness and understanding of our shared history. We do so by recognizing the past and working towards a shared future as friends and allies.

Presidential Installation of Dr. Elaine Popp

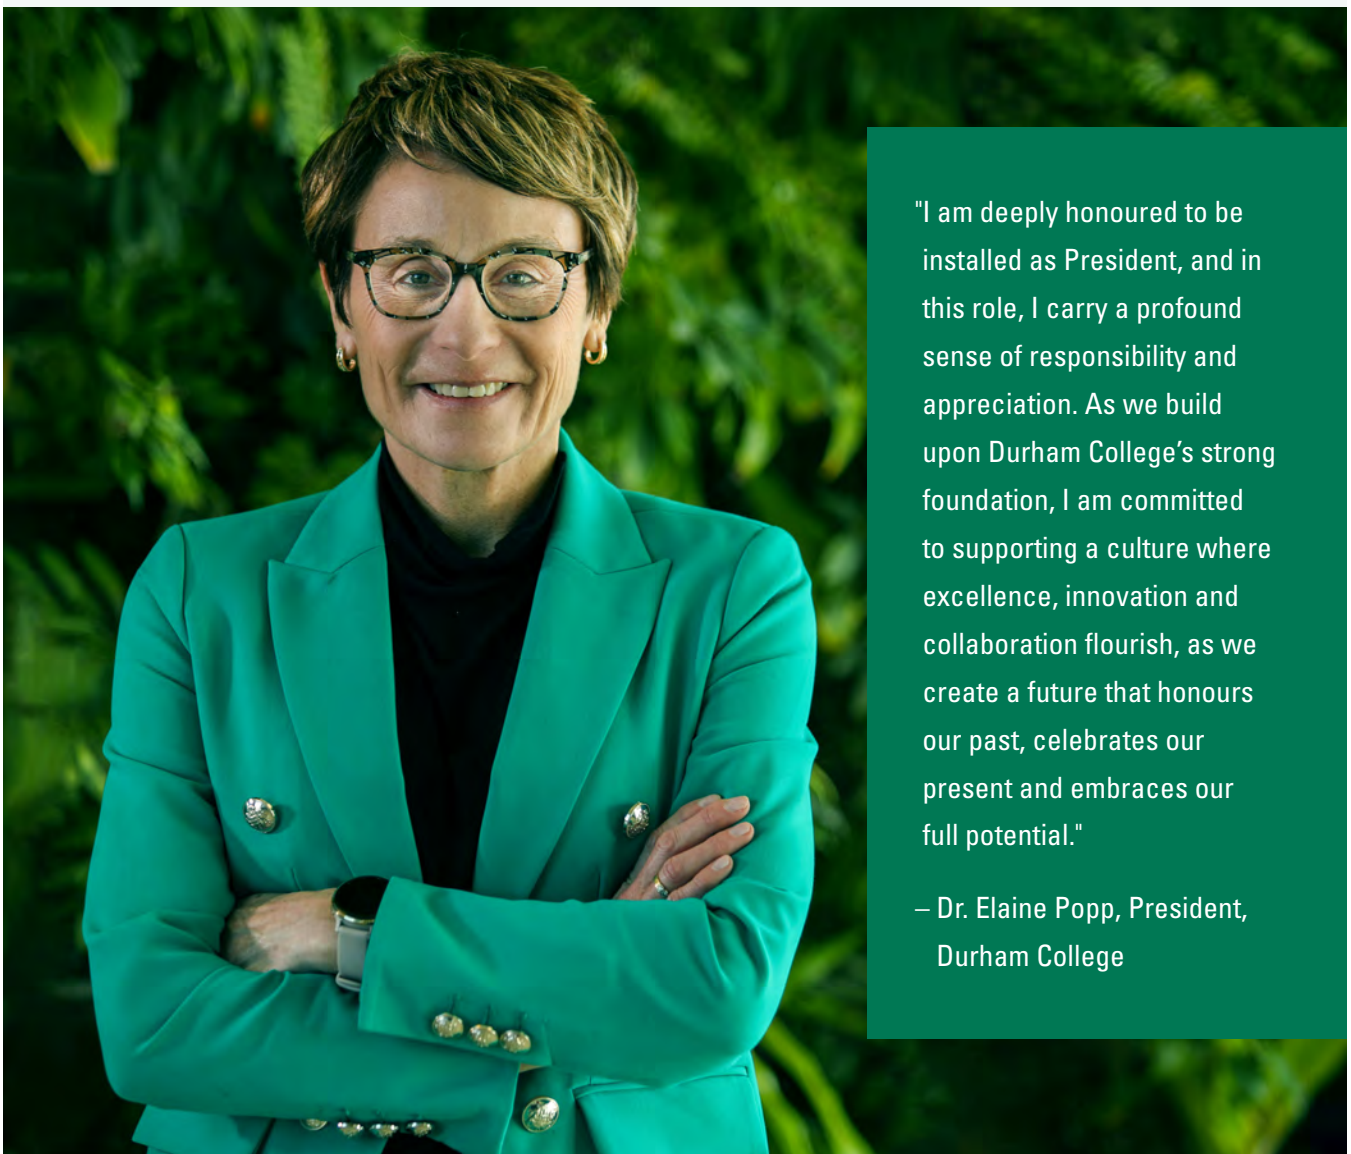

Durham College (DC) is proud to officially install Dr. Elaine Popp as our sixth President.

The installation ceremony, led by the Board of Governors and held during our first Convocation event on Monday, June 17, officially acknowledges Dr. Popp's role and provides an opportunity for her to deliver the Oath of Office directly to the community she serves.

Since taking on the role of President on March 1, 2024, Dr. Popp has been guided by her clear vision of DC as a sustainable, future-proof, people-focused, equity-driven and community-connected college that meets the needs of students and anticipates industry expectations.

Under Dr. Popp's leadership, DC will spearhead the transformation of education and foster an environment where students continue to learn, grow and thrive.

Congratulations, Dr. Popp!

"I am deeply honoured to be installed as President, and in this role, I carry a profound sense of responsibility and appreciation. As we build upon Durham College's strong foundation, I am committed to supporting a culture where excellence, innovation and collaboration flourish, as we create a future that honours our past, celebrates our present and embraces our full potential."

Chris Cull

Chris Cull is a two-time cross-Canada cyclist, filmmaker, motivational speaker, founder of Inspire By Example and a proud graduate of Durham College's Heating, Ventilation and Air Conditioning Techniques program. In 2014, Chris overcame a near decade-long addiction to opioids. To raise awareness on mental health, addiction and the opioid crisis, he cycled across Canada, documenting his journey in his first film, Inspire.

Durham College's Social Impact Hub supported Chris in creating his second film, Surviving Addiction, a 2023 docuseries with the Canadian Society of Addiction Medicine, that highlights the humanity behind addiction and how it affects individuals and those surrounding them.

Chris's advocacy includes speaking at significant events such as the Western Canada Addiction Forum, the Opioid Expert Forum hosted by the US Embassy in Ottawa, Health Canada's Opioid Symposium, and many university and regional forums. With his personal experience with mental health and opioid addiction, he has advised numerous institutions and organizations in the field of mental health and addiction and helped develop the 2017 Canadian Opioid Prescribing Guidelines for Chronic Non-Cancer Pain. He has also served as a member of the Centre for Addiction and Mental Health's Constituency Council, Ontario Health's Substance Use Disorder Provincial Advisory Table, Ontario Health East's Opioid Strategy Action Group and participates in the Municipality of Durham Region's Opioid Task Force.

Chris currently serves on the Policy Committee of the Canadian Society of Addiction Medicine, the Board of Directors of the Canadian Centre on Substance Use and Addiction and was a Canadian representative for the United Nations Commission on Narcotic Drugs in Vienna, Austria, in March 2024.

MONDAY, JUNE 17 – EVENING CEREMONY

Jenifer Stewart

Jenifer is a trailblazer, infusing her unique perspective into the social and health issues associated with our environment. Her life is a testament to the power of determination and the courage to embrace change. As a devoted parent to seven children, Jenifer spent two decades nurturing her family with love, patience, and unwavering commitment. Her home was filled with laughter, learning, and the kind of organized chaos that only a large family can bring.

After 20 years of marriage and family life, Jenifer entered the workforce. She quickly realized that the world had changed, and with it, the demands of the job market. This realization sparked a new ambition in her — to pursue further education and personal development. With the same tenacity she applied to parenting, Jenifer enrolled at Durham College, balancing her studies with her responsibilities at home and work. She tackled her courses, driven by a desire to expand her horizons and set an example for her children that it's never too late to follow your dreams.

Today, Jenifer has two diplomas including Horticulture – Food and Farming, and Carpentry and Renovation Technician, and is nearing the completion of the Environment Health and Safety Management graduate certificate. Jenifer also received the Weston Family Scholarship for women in the skilled trades in 2021, as well as funding to attend the International Institute of Building Enclosure Symposium in 2022.

Her interests merge as she has always taught her children to respect the environment and the world in which we live. She passionately encourages youth to pick up wrenches and saws, turning their dreams into blueprints. When she's not mentoring, she enjoys her time as a mother, hiking and growing her food.

2024 Alumni of Distinction

Shelby Nelson

Sport Administration, 2000

With a love for sports and community, Shelby Nelson, a 2000 Sport Administration graduate, has dedicated 24 years to the Toronto Blue Jays organization.

Beginning as an Account Executive, Shelby's career trajectory has seen him rise to Vice President of Florida Operations where he leads a team responsible for Spring Training, the Dunedin Blue Jays, and the Player Development Complex.

Shelby's vision and leadership were crucial in the development of the world-class Player Development Complex and renovating TD Ballpark in Dunedin Florida. In addition to building partnerships with government to move the project forward, his collaboration with architects and management through construction phases — particularly during the pandemic — demonstrated his adeptness at navigating complex challenges. As one of the driving forces behind the project, Shelby's work is a significant contribution to the sport and the community. The Blue Jays new Player Development Complex is recognized as the best in Major League Baseball.

The local face of the Blue Jays in Dunedin, Shelby is a respected community leader, actively participating in various local charities and groups and coaching kids' sports. In recognition of his long-time contributions to baseball in Dunedin, he was inducted to the City's baseball Hall of Fame. Shelby's commitment to his alma mater is evident through student placement opportunities, hiring graduates, and participating in the DC Talks: Alumni Series.

Adam Ruppel

Business – Human Resources, 1997

Adam Ruppel's passion, creativity and dedication have transformed the events industry.

A 1997 graduate in Business–Human Resources, he began his career in event management from the corner of his bedroom, founding Chico Racing. For the past 30 years, Adam has been at the helm of this company, producing the largest 24-hour mountain bike event in North America, the 24 Hours of Summer Solstice, held at Albion Hills Conservation Area.

He co-founded Mudhero under Crazy Canuck Events in 2011, quickly establishing it as Canada's largest obstacle race, with 40 events and over 300,000 participants. In 2018, he sold the business and shifted his focus to the automotive industry where he continued to thrive.

In 2021, Adam co-founded the Drive Festival at Canadian Tire Motorsport Park, attracting over 30,000 attendees annually. This three-day outdoor automotive exhibition highlights the latest in car technology and features manufacturer displays, ride-alongs, car collections, clubs, motorcycles, and kid-friendly automotive experiences.

Adam's commitment to community support is evident through charity runs, festivals, and a cycling fundraiser for his local hospital in Uxbridge. He actively gives back to Durham College by hiring graduates and offering placement opportunities. Adam's contributions have significantly impacted tourism and economic development, establishing Clarington and Durham Region as premier destinations for automotive enthusiasts nationwide.
